HINES GLOBAL REIT II, INC.

Offering of up to \$2,500,000,000 in Shares of Common Stock

FOURTH AMENDED AND RESTATED DEALER MANAGER AGREEMENT

Effective as of April 28, 2017

Hines Securities, Inc.
Suite 5000
2800 Post Oak Boulevard
Houston, Texas 77056-6118

Ladies and Gentlemen:

Hines Global REIT II, Inc., a Maryland corporation (the “Company”), has registered for public sale shares of its common stock, \$0.001 par value per share (the “Offering”), to be issued and sold for a maximum aggregate purchase price of \$2,500,000,000. The Company proposes to offer (a) up to the maximum aggregate purchase price of \$2,000,000,000 pursuant to the Company’s primary offering in any combination of Class A, Class T and Class I Shares of common stock, which are referred to herein individually as “Class A Shares,” “Class T Shares” and “Class I Shares,” and collectively as the “Shares,” and (b) a maximum aggregate purchase price of \$500,000,000 in Shares to be offered pursuant to the Company’s distribution reinvestment plan in any combination of Class A Shares, Class T Shares and Class I Shares. However, the Company is entitled to reallocate Shares between the primary offering and the offering pursuant to the distribution reinvestment plan and the Company’s board of directors may adjust the primary offering price per Share and distribution reinvestment plan price per Share for each class of Shares in its discretion. The minimum initial purchase by any one person shall be \$2,500 in Shares, except as otherwise indicated in the Prospectus (as defined in Section 1.1 below) or in any letter or memorandum from the Company to Hines Securities, Inc. (the “Dealer Manager”). The Company and the Dealer Manager previously entered into a Dealer Manager Agreement dated August 15, 2014, as amended by the Amended and Restated Dealer Manager Agreement on December 12, 2014, the Second Amended and Restated Dealer Manager Agreement on August 12, 2015 and the Third Amended and Restated Dealer Manager Agreement, effective as of August 2, 2016, which added Hines Global REIT II Advisors LP (the “Advisor”) as a party to the Dealer Manager Agreement, solely with respect to Section 3.3 (collectively, the “Initial Dealer Manager Agreement”). The Initial Dealer Manager Agreement is hereby further amended by this Fourth Amended and Restated Dealer Manager Agreement, effective as of April 28, 2017 (the Initial Dealer Manager Agreement, as amended herein, is referred to as the “Dealer Manager Agreement”). The Dealer Manager has entered into Selected Dealer Agreements substantially in the form attached to the Initial Dealer Manager Agreement and this Dealer Manager Agreement as “Exhibit A” and it is anticipated that the Dealer Manager will enter into additional such Selected Dealer Agreements with other broker-dealers participating in the Offering (each broker-dealer being referred to herein as a “Dealer” and said dealers being collectively referred to herein as the “Dealers”) and each such Selected Dealer Agreement entered into, is

hereinafter referred to as the “Selected Dealer Agreement.” The Company shall have the right to approve any material modifications or addendums to the form of the Selected Dealer Agreement. Terms not defined herein shall have the same meaning as in the Prospectus. In connection therewith, the Company and the Dealer Manager and, solely with respect to Section 3.3, the Advisor, hereby agree as follows:

1. Representations and Warranties of the Company

The Company represents and warrants to the Dealer Manager and each Dealer with whom the Dealer Manager enters into a Selected Dealer Agreement that:

1.1. A registration statement with respect to the Company has been prepared by the Company in accordance with applicable requirements of the Securities Act of 1933, as amended (the “Securities Act”), and the applicable rules and regulations (the “Rules and Regulations”) of the United States Securities and Exchange Commission (the “SEC”) promulgated thereunder, covering the Shares. Said registration statement, which includes a preliminary prospectus, was initially filed with the SEC on September 11, 2013 (Registration No. 333-191106) and was declared effective initially on August 20, 2014. Copies of such registration statement and each amendment thereto have been or will be delivered to the Dealer Manager. The registration statement and prospectus contained therein as declared effective by the SEC and as may be amended or modified from time to time thereafter by any amendment (as to the registration statement) and/or supplements (as to the prospectus) are respectively referred to herein as the “Registration Statement” and the “Prospectus.”

1.2. The Company has been duly and validly organized and formed as a corporation under the laws of the State of Maryland, with the power and authority to conduct its business as described in the Prospectus.

1.3. The Registration Statement and Prospectus comply with the Securities Act and the Rules and Regulations, and the Prospectus and any and all authorized sales materials prepared or approved by the Company for use with potential investors in connection with the Offering (“Authorized Sales Materials”), when used in conjunction with the Prospectus, do not contain any untrue statements of material facts or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; provided, however, that the foregoing provisions of this Section 1.3 will not extend to such statements contained in or omitted from the Registration Statement or Prospectus or Authorized Sales Materials as are primarily within the knowledge of the Dealer Manager or any of the Dealers and are based upon information either (a) furnished by a Dealer in writing to the Dealer Manager or the Company, or (b) furnished by the Dealer Manager in writing to the Company specifically for inclusion therein.

1.4. The Company intends to use the funds received from the sale of the Shares as set forth in the Prospectus.

1.5. No consent, approval, authorization or other order of any governmental authority is required in connection with the execution or delivery by the Company of this Dealer

Manager Agreement or the issuance and sale by the Company of the Shares, except such as may be required under the Securities Act or applicable state securities laws.

1.6. There are no actions, suits or proceedings pending or to the knowledge of the Company, threatened against the Company at law or in equity or before or by any federal or state commission, regulatory body or administrative agency or other governmental body, domestic or foreign, which will have a material adverse effect on the business or property of the Company.

1.7. The execution and delivery of this Dealer Manager Agreement, the consummation of the transactions herein contemplated and compliance with the terms of this Dealer Manager Agreement by the Company will not conflict with or constitute a default under any charter, by-law, indenture, mortgage, deed of trust, lease, rule, regulation, writ, injunction or decree of any government, governmental instrumentality or court, domestic or foreign, having jurisdiction over the Company, except to the extent that the enforceability of the indemnity and/or contribution provisions contained in Section 4 of this Dealer Manager Agreement may be limited under applicable securities laws.

1.8. The Company has full legal right, power and authority to enter into this Dealer Manager Agreement and to perform the transactions contemplated hereby, except to the extent that the enforceability of the indemnity and/or contribution provisions contained in Section 4 of this Dealer Manager Agreement may be limited under applicable securities laws.

1.9. The Shares, when subscribed for, paid for and issued, will be duly and validly issued, fully paid and non-assessable and will conform to the description thereof contained in the Prospectus; no holder thereof will be subject to personal liability for the obligations of the Company solely by reason of being such a holder; such Shares are not subject to the preemptive rights of any stockholder of the Company; and all corporate action required to be taken for the authorization, issuance and sale of such Shares shall have been validly and sufficiently taken.

1.10. The Company is not in violation of its charter or its bylaws.

1.11. The financial statements of the Company filed as part of the Registration Statement and those included in the Prospectus present fairly in all material respects the financial position of the Company as of the date indicated and the results of its operations for the periods indicated; said financial statements have been prepared in conformity with generally accepted accounting principles applied on a consistent basis.

1.12. The Company does not intend to conduct its business so as to be an “investment company” as that term is defined in the Investment Company Act of 1940, as amended, and the rules and regulations thereunder, and it will exercise reasonable diligence to ensure that it does not become an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

2. Covenants of the Company

The Company covenants and agrees with the Dealer Manager that:

2.1. It will prepare and file with the SEC and each appropriate state securities commission, at no expense to the Dealer Manager, the Registration Statement, including all amendments and exhibits thereto. In addition, it will furnish the Dealer Manager, at no expense to the Dealer Manager, with such number of printed copies of the Registration Statement, including all amendments and exhibits thereto, as the Dealer Manager may reasonably request. It will similarly furnish to the Dealer Manager and others designated by the Dealer Manager as many copies as the Dealer Manager may reasonably request in connection with the offering of the Shares of: (a) the Prospectus in preliminary and final form and every form of supplemental or amended prospectus; and (b) this Dealer Manager Agreement.

2.2. It will prepare and file with the appropriate regulatory authorities, at no expense to the Dealer Manager, the Authorized Sales Materials. In addition, it will furnish the Dealer Manager, at no expense to the Dealer Manager, with such number of printed copies of Authorized Sales Materials as the Dealer Manager may reasonably request.

2.3. It will furnish such proper information and execute and file such documents as may be necessary for the Company to qualify the Shares for offer and sale under the securities laws of such jurisdictions in the United States as the Dealer Manager may reasonably designate and will file and make in each year such statements and reports as may be required by such jurisdictions. The Company will furnish to the Dealer Manager a copy of such papers filed by the Company in connection with any such qualification.

2.4. It will use its best efforts to cause the Registration Statement to become effective with the SEC and each state securities commission which it deems appropriate in its sole discretion. If at any time the SEC or any state securities commission shall issue any stop order suspending the effectiveness of the Registration Statement, and to the extent the Company determines that such action is in the best interest of its stockholders, it will use its best efforts to obtain the lifting of such order at the earliest possible time.

2.5. If at any time when a Prospectus is required to be delivered under the Securities Act any event occurs as a result of which, in the opinion of either the Company or the Dealer Manager, would cause the Prospectus or any other prospectus then in effect to include an untrue statement of a material fact or, in view of the circumstances under which they were made, to omit to state any material fact necessary to make the statements therein not misleading, the Company will promptly notify the Dealer Manager thereof (unless the information shall have been received from the Dealer Manager) and will effect the preparation of an amended or supplemental prospectus which will correct such statement or omission. The Company will then promptly prepare such amended or supplemental prospectus or prospectuses as may be necessary to comply with the requirements of Section 10 of the Securities Act.

2.6. Each of the representations and warranties contained in this Dealer Manager Agreement are true and correct and the Company will comply with each covenant and agreement contained in this Dealer Manager Agreement.

2.7. It will be duly qualified to do business as a foreign corporation in each jurisdiction in which it will own or lease property of a nature, or transact business of a type, that will make such qualification necessary.

2.8. It intends to satisfy the requirements of the Internal Revenue Code of 1986, as amended (the “Code”), for qualification of the Company as a real estate investment trust. The Company will elect to be treated as a real estate investment trust under the Code at such time as it so qualifies and will direct the investment of the proceeds of the offering of the Shares in such a manner, and will exercise reasonable diligence to operate the business of the Company so as to comply with such requirements.

3. Obligations and Compensation of Dealer Manager

3.1. The Company hereby appoints the Dealer Manager as its agent and principal distributor for the purpose of selling for cash up to an aggregate maximum purchase price of \$2,500,000,000 in Shares through the Dealers, all of whom shall be members in good standing of the Financial Industry Regulatory Authority (“FINRA”). The Dealer Manager may also sell Shares for cash directly to its own clients, customers and employees (and certain family members of the Company and the Dealer Manager and their affiliates), subject to the terms and conditions stated in the Prospectus. The Dealer Manager hereby accepts such agency and distributorship and agrees to use its best efforts to sell the Shares on said terms and conditions. The Dealer Manager represents to the Company that it is a member in good standing of FINRA and that it and its employees and representatives have all required licenses and registrations to act under this Dealer Manager Agreement.

3.2. Promptly after the effective date of the Registration Statement, the Dealer Manager and the Dealers commenced the offering of the Shares for cash to the public in jurisdictions in which the Shares are registered or qualified for sale or in which such offering is otherwise permitted. The Dealer Manager and the Dealers will suspend or terminate offering the Shares upon request of the Company at any time and will resume offering the Shares upon subsequent request of the Company.

3.3. Except as otherwise provided in the “Plan of Distribution” section of the Prospectus, as compensation for the services rendered by the Dealer Manager, the Company agrees that it will pay to the Dealer Manager selling commissions in the amount of 7.0% of the gross proceeds of the Class A Shares sold in the primary offering, all of which may be reallocated to Dealers. The Company further agrees that it will pay to the Dealer Manager selling commissions in the amount of 2.0% of the gross proceeds of the Class T Shares sold in the primary offering, all of which may be reallocated to Dealers. No selling commissions will be paid to the Dealer Manager with respect to the sale of Class I Shares. In addition, the Dealer Manager shall be paid a dealer manager fee in the amount of up to 3.0% gross proceeds of the Class A Shares sold to the public in the primary offering (the “Class A Dealer Manager Fee”). The Company agrees that it will pay a portion of the Class A Dealer Manager Fee in an amount equal to up to 1.5% of the gross proceeds of the Class A Shares sold to the public in the primary offering and the Advisor agrees that it will pay a portion of the Class A Dealer Manager Fee in an amount equal to up to 1.5% of the gross proceeds of the Class A Shares sold to the public in the primary offering; provided, that, if the Class

A Dealer Manager Fee payable to the Dealer Manager with respect to a sale of Class A Shares is equal to or less than an amount equal to 1.5% of the gross proceeds of the sale of such Class A Shares due to waivers or other discounts described in the “Plan of Distribution” section of the Prospectus, the Advisor shall pay the entire Class A Dealer Manager Fee, if any, and the Company shall not pay any portion of the Class A Dealer Manager Fee. The Dealer Manager shall be paid a dealer manager fee in the amount up to 2.75% of the gross proceeds of the Class T Shares sold to the public in the primary offering (the “Class T Dealer Manager Fee”). The Company agrees that it will pay a portion of the Class T Dealer Manager Fee in an amount equal to 1.25% of the gross proceeds of the Class T Shares sold to the public in the primary offering and the Advisor agrees that it will pay a portion of the Class T Dealer Manager Fee in an amount equal to 1.5% of the gross proceeds of the Class T Shares sold to the public in the primary offering. Further, the Dealer Manager shall be paid a dealer manager fee in the amount of 1.5% of the gross proceeds of the Class I Shares sold to the public in the primary offering (“Class I Dealer Manager Fee” and, together with the Class A Dealer Manager Fee and the Class T Dealer Manager Fee, the “Dealer Manager Fee”). The Advisor agrees to pay all of the Class I Dealer Manager Fees payable to the Dealer Manager. The Company, the Dealer Manager and the Advisor agree that the Advisor’s obligation to pay a portion of the Dealer Manager Fees pursuant to this Section 3.3 shall apply only to sales of Shares completed on or after August 2, 2016. Further, the Advisor agrees and acknowledges that the Company shall not reimburse the Advisor for the Advisor’s payment of any portion of the Dealer Manager Fees pursuant to this Section 3.3. All or a portion of the Dealer Manager Fee may be paid by the Dealer Manager to Dealers as a marketing fee. In addition, the Dealer Manager may pay, out of a portion of the Dealer Manager Fee, reimbursements of distribution and marketing-related costs and expenses, such as costs associated with attending or sponsoring conferences, technology costs, and other distribution and marketing-related costs and expenses of the Dealer. In addition, the Dealer Manager may pay, out of a portion of its Dealer Manager Fee, reimbursements of distribution and marketing-related costs and expenses, such as costs associated with attending or sponsoring conferences, technology costs, and other distribution and marketing-related costs and expenses of the Dealer.

3.4. In addition, the Company agrees that it will pay to the Dealer Manager a distribution and stockholder servicing fee in an annual amount equal to 1.0% of the gross offering price of the Class T Shares and 0.25% of the gross offering price of Class I Shares sold in the primary offering (or, if the Company is no longer offering primary shares, the then-current net asset value), which will accrue daily and be payable quarterly in arrears. No selling commissions, dealer manager fees or distribution and stockholder servicing fees shall be paid to the Dealer Manager or the Dealers with respect to sales pursuant to the Company’s distribution reinvestment plan. The Dealer Manager may reallow the distribution and stockholder servicing fees to the Dealer who sold the Class T Shares or Class I Shares giving rise to such distribution and stockholder servicing fees, respectively, to the extent the Selected Dealer Agreement with such Dealer provided for such reallowance. Notwithstanding the foregoing, if the Dealer Manager is notified that the Dealer who sold such Class T Shares or such Class I Shares, respectively, is no longer the broker-dealer of record with respect to such Class T Shares or Class I Shares, then such Dealer’s entitlement to the distribution and stockholder servicing fees related to such Class T Shares or Class I Shares shall cease, and such Dealer shall not receive the distribution and stockholder servicing fees for any portion of the quarter in which such Dealer is not the broker-dealer of record on the last day of the quarter; provided,

however, if the change in the broker-dealer of record with respect to such Class T Shares or Class I Shares is made in connection with a change in the registration of record for such Class T Shares or Class I Shares on the Company's books and records (including, but not limited to, a re-registration due to a sale or a transfer or a change in the form of ownership of the account), then such Dealer shall be entitled to a pro rata portion of the distribution and stockholder servicing fees related to such Class T Shares or Class I Shares respectively, for the portion of the quarter for which such Dealer was the broker-dealer of record. Thereafter, such distribution and stockholder servicing fees may be reallocated by the Dealer Manager to the then-current broker-dealer of record with respect to the Class T Shares or Class I Shares, if any, if such broker-dealer of record has entered into a Selected Dealer Agreement with the Dealer Manager that provides for such reallocation. In this regard, all determinations will be made by the Dealer Manager in good faith in its sole discretion. The Company will cease paying the distribution and stockholder servicing fees with respect to any particular Class T Share sold in the primary offering on the earliest to occur of the following: (i) a listing of the Class A Shares on a national securities exchange; (ii) a merger or consolidation of the Company with or into another entity, or the sale or other disposition of all or substantially all of the Company's assets; (iii) the end of the month in which the Dealer Manager determines that total underwriting compensation paid in the primary offering, including, without limitation, the Advisor's payment of a portion of the dealer manager fees and the aggregate distribution and stockholder servicing fees, is equal to 10.0% of the gross proceeds of the primary offering; and (iv) the end of the month in which the underwriting compensation paid in the primary offering, including the Advisor's payment of a portion of the dealer manager fees and the distribution and stockholder servicing fees paid with respect to the Class T Shares, held by a stockholder within his or her particular account equals 10.0% of the gross offering price at the time of investment of the Class T Shares held in such account. The Company will cease paying the distribution and stockholder servicing fee with respect to any particular Class I Share on the earlier of: (i) a listing of the Class A Shares on a national securities exchange; (ii) a merger or consolidation of the company with or into another entity, or the sale or other disposition of all or substantially all of our assets; (iii) the end of the month in which the Dealer Manager determines that total underwriting compensation paid in the primary offering, including, without limitation, our Advisor's payment of the dealer manager fees and the aggregate distribution and stockholder servicing fees, is equal to 10.0% of the gross proceeds of the primary offering; and (iv) the end of the month in which aggregate distribution and stockholder servicing fees paid with respect to the Class I Shares held by a stockholder within his or her particular account equals 1.5% of the gross offering price at the time of investment of the Class I Shares held in such account.

The Company may also reimburse the Dealer Manager, which may in turn reimburse the Dealers for bona fide out of pocket itemized and detailed due diligence expenses. For these purposes, Shares shall be deemed to be "sold" if and only if a transaction has closed with a subscriber for Shares pursuant to all applicable offering and subscription documents, the Company has accepted the subscription agreement of such subscriber, and such Shares have been fully paid for. The Company and the Advisor will not be liable or responsible to any Dealer for direct payment of commissions, fees or reimbursements to any Dealer, it being the sole and exclusive responsibility of the Dealer Manager for payment of commissions, fees and reimbursements to Dealers. Notwithstanding the above, at the discretion of the Company and the Advisor, respectively, the

Company and the Advisor may act as agent of the Dealer Manager by making direct payments to Dealers on behalf of the Dealer Manager without incurring any liability therefor.

3.5. The Dealer Manager represents and warrants to the Company and each person that signs the Registration Statement that the information under the caption “Plan of Distribution” in the Prospectus and all other information furnished to the Company by the Dealer Manager in writing expressly for use in the Registration Statement, the Prospectus, or any Authorized Sales Materials does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.

3.6. The Dealer Manager represents and warrants to the Company that it will not use any sales literature not authorized and approved by the Company, use any “broker-dealer use only” materials with members of the public, or make any unauthorized verbal representations in connection with offers or sales of the Shares. The Dealer Manager further represents and warrants to the Company that it shall promptly (a) notify the Dealers of any supplement or amendment to the Prospectus or Authorized Sales Materials, and (b) supply the Dealers with reasonable quantities of the Prospectus, any Authorized Sales Materials and any supplements or amendments thereto, to the extent provided to the Dealer Manager by the Company.

4. Indemnification

4.1. The Company will indemnify and hold harmless the Dealer Manager, its officers and directors and each person, if any, who controls the Dealer Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) from and against any losses, claims, damages or liabilities, joint or several, to which the Dealer Manager, its officers and directors, or such controlling person may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (a) any untrue statement or alleged untrue statement of a material fact contained in (i) any Registration Statement (including the Prospectus as a part thereof), (ii) any Authorized Sales Materials (when read in conjunction with the Prospectus), or (iii) any blue sky application or other document executed by the Company or on its behalf specifically for the purpose of qualifying any or all of the Shares for sale under the securities laws of any jurisdiction or based upon written information furnished by the Company under the securities laws thereof (any such application, document or information being hereinafter called a “Blue Sky Application”), or (b) the omission or alleged omission to state in the Registration Statement (including the Prospectus as a part thereof), Authorized Sales Materials (when read in conjunction with the Prospectus), or in any Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading. The Company will reimburse the Dealer Manager, and its officers and directors and controlling persons, for any reasonable legal or other reasonable expenses incurred by the Dealer Manager, its officers and directors and controlling persons, in connection with investigating or defending such loss, claim, damage, liability or action; provided that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by the Dealer Manager specifically

for use in the preparation of the Registration Statement, the Prospectus, such Authorized Sales Materials, or any such Blue Sky Application; and further provided that the Company will not be liable in any such case if it is determined in a legal proceeding that the Dealer Manager was at fault in connection with such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

4.2. The Dealer Manager will indemnify and hold harmless the Company and its officers and directors (including any persons named in any of the Registration Statements with his, her or its consent, as about to become a director), each person who has signed any of the Registration Statements and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any losses, claims, damages or liabilities, joint or several, to which any of the aforesaid parties may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (including the Prospectus as a part thereof), any Authorized Sales Materials (when read in conjunction with the Prospectus), or any Blue Sky Application, or (b) the omission or alleged omission to state in the Registration Statement (including the Prospectus as a part thereof), any Authorized Sales Materials (when read in conjunction with the Prospectus) or any Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case described in these clauses (a) and (b) to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Dealer Manager specifically for use in the preparation of the Registration Statement, the Prospectus, such Authorized Sales Materials or any such Blue Sky Application, or (c) any failure of the Dealer Manager to comply with its obligations contained in Section 3.5 hereof, or (d) any untrue statement or alleged untrue statement made by the Dealer Manager or its representatives or agents or omission or alleged omission to state a fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading in connection with the offer and sale of the Shares, or (e) any material breach of the Dealer Manager Agreement by the Dealer Manager, or (f) any failure to comply with applicable laws governing money laundry abatement and anti-terrorist financing efforts, including applicable rules of FINRA, including the National Association of Securities Dealers (“NASD”) Conduct Rules, the Rules and Regulations and the USA PATRIOT Act of 2001, or (g) any other failure by the Dealer Manager to comply with applicable rules of FINRA, including the NASD Conduct Rules, or the Rules and Regulations. The Dealer Manager will reimburse the aforesaid parties for any reasonable legal or other reasonable expenses incurred by them in connection with investigating or defending such loss, claim, damage, liability or action; provided that the Dealer Manager will not be liable to the extent provided in clauses (a) and (b) of this Section 4.2; and further provided that the Dealer Manager will not be liable in any such case if it is determined in a legal proceeding that the Company was at fault in connection with such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which the Dealer Manager may otherwise have.

4.3. The Company and the Dealer Manager will jointly and severally indemnify and hold harmless each Dealer, its officers and directors and each person, if any, who controls such

Dealer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any losses, claims, damages or liabilities, joint or several, to which such Dealer, its officers and directors, or any such controlling person may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (including the Prospectus as a part thereof), any Authorized Sales Materials (when read in conjunction with the Prospectus) or any Blue Sky Application, or (b) the omission or alleged omission to state in the Registration Statement (including the Prospectus), any Authorized Sales Materials (when read in conjunction with the Prospectus) or in any Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading. The Company and the Dealer Manager will reimburse each Dealer and its officers and directors and controlling persons, for any reasonable legal or other reasonable expenses incurred by such Dealer and its officers and directors and controlling persons, in connection with investigating or defending such loss, claim, damage, liability or action; provided that the Company and the Dealer Manager will not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company or to the Dealer Manager by or on behalf of the Dealer specifically for use in the preparation of the Registration Statement, the Prospectus, such Authorized Sales Materials or any such Blue Sky Application; and further provided that neither the Company nor the Dealer Manager will be liable in any such case if it is determined in a legal proceeding that the Dealer was at fault in connection with such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which the Company and the Dealer Manager may otherwise have.

Notwithstanding the foregoing, as required by Section II.G. of the Statement of Policy Regarding Real Estate Investment Trusts of the North American Securities Administrators Association, Inc. (the “NASAA REIT Guidelines”), the indemnifications and agreements to hold harmless are further limited to the extent that no such indemnification by the Company of the Dealer Manager, or its officers, directors or controlling persons, pursuant to Section 4.1 above, or by the Company or the Dealer Manager of a Dealer, or its officers, directors or controlling persons, pursuant to this Section 4.3, shall be permitted under this Agreement for an alleged violation of federal or state securities laws, or any losses, claims, damages or liabilities arising out of such alleged violation, unless one or more of the following conditions are met: (a) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee; (b) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee; or (c) a court of competent jurisdiction approves a settlement of the claims against the indemnitee and finds that indemnification of the settlement and the related costs should be made, and the court considering the request for indemnification has been advised of the position of the SEC and of the published position of any state securities regulatory authority in which the securities were offered or sold as to indemnification for violations of securities laws.

4.4. Each Dealer, by its execution of a Selected Dealer Agreement with the Dealer Manager, agrees to severally indemnify and hold harmless the Company, the Dealer Manager and each of their respective officers and directors (including any persons named in any of the Registration

Statements with his, her or its consent, as about to become a director), each person who has signed any of the Registration Statements and each person, if any, who controls the Company and the Dealer Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any losses, claims, damages or liabilities, joint or several, to which the Company, the Dealer Manager, any such director or officer, or controlling person may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (including the Prospectus as a part thereof), any Authorized Sales Materials (when read in conjunction with the Prospectus), or any Blue Sky Application, or (b) the omission or alleged omission to state in the Registration Statement (including the Prospectus as a part thereof), any Authorized Sales Materials (when read in conjunction with the Prospectus) or in any Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case described in these clauses (a) and (b) to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company or the Dealer Manager by or on behalf of such Dealer specifically for use in the preparation of the Registration Statement, the Prospectus, such Authorized Sales Materials or any such Blue Sky Application, or (c) any use of sales literature not authorized or approved by the Company or use of “broker-dealer use only” materials with members of the public or unauthorized verbal representations concerning the Shares by such Dealer or Dealer’s representatives or agents, or (d) any untrue statement or alleged untrue statement made by such Dealer or its representatives or agents or omission or alleged omission to state a fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading in connection with the offer and sale of the Shares, or (e) any material breach of the Selected Dealer Agreement by the Dealer, or (f) any failure to comply with applicable laws governing money laundry abatement and anti-terrorist financing efforts, including applicable rules of FINRA, including the NASD Conduct rules, the Rules and Regulations and the USA PATRIOT Act of 2001, or (g) any other failure to comply with applicable rules of FINRA, including the NASD Conduct rules or the Rules and Regulations. Each such Dealer will reimburse the aforesaid parties for any reasonable legal or other reasonable expenses incurred by them in connection with investigating or defending such loss, claim, damage, liability or action; provided that such Dealer will not be liable to the extent provided in clauses (a) and (b) of this Section 4.4; and further provided that such Dealer will not be liable in any such case if it is determined in a legal proceeding that the Company and the Dealer Manager were at fault in connection with such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which such Dealer may otherwise have.

4.5. Promptly after receipt by an indemnified party under this Section 4 of notice of the commencement of any action (but in no event in excess of 30 days after receipt of actual notice), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 4, notify in writing the indemnifying party of the commencement thereof and the omission so to notify the indemnifying party will relieve the indemnifying party from any liability under this Section 4 as to the particular item for which indemnification is then being sought, but not from any other liability which it may have to any indemnified party. In case any such action is brought against any indemnified party, and it notifies

an indemnifying party of the commencement thereof, the indemnifying party will be entitled, to the extent it may wish, jointly with any other indemnifying party similarly notified, to participate in the defense thereof, with separate counsel. Such participation shall not relieve such indemnifying party of the obligation to reimburse the indemnified party for reasonable legal and other reasonable expenses (subject to Section 4.6) incurred by such indemnified party in defending itself, except for such expenses incurred after the indemnifying party has deposited funds sufficient to effect the settlement, with prejudice, of the claim in respect of which indemnity is sought. Any such indemnifying party shall not be liable to any such indemnified party on account of any settlement of any claim or action effected without the consent of such indemnifying party.

4.6. The indemnifying party shall pay all reasonable legal fees and expenses of the indemnified party in the defense of such claims or actions; provided, however, that the indemnifying party shall not be obliged to pay legal expenses and fees to more than one law firm in connection with the defense of similar claims arising out of the same alleged acts or omissions giving rise to such claims notwithstanding that such actions or claims are alleged or brought by one or more parties against more than one indemnified party. If such claims or actions are alleged or brought against more than one indemnified party, then the indemnifying party shall only be obliged to reimburse the reasonable expenses and fees of the one law firm that has been selected by a majority of the indemnified parties against which such action is finally brought; and in the event a majority of such indemnified parties is unable to agree on which law firm for which expenses or fees will be reimbursable by the indemnifying party, then payment shall be made to the first law firm of record representing an indemnified party against the action or claim. Such law firm shall be paid only to the extent of services performed by such law firm and no reimbursement shall be payable to such law firm on account of legal services performed by another law firm.

4.7. The indemnity agreements contained in this Section 4 shall remain operative and in full force and effect regardless of (a) any investigation made by or on behalf of any Dealer, its officers or directors or controlling persons or by or on behalf of the Company, the Dealer Manager or any of their respective officers or directors or controlling persons, (b) delivery of any Shares and payment therefor, and (c) any termination of this Dealer Manager Agreement or any Selected Dealer Agreement. A successor of any Dealer or of any of the parties to this Dealer Manager Agreement, as the case may be, shall be entitled to the benefits of the indemnity agreements contained in this Section 4.

5. Survival of Provisions

The respective agreements, representations and warranties of the Company and of the Dealer Manager and, solely with respect to Section 3.3, of the Advisor, set forth in this Dealer Manager Agreement shall remain operative and in full force and effect regardless of (a) any termination of this Dealer Manager Agreement, (b) any investigation made by or on behalf of any Dealer, its officers or directors or controlling persons or by or on behalf of the Company, the Dealer Manager or any of their respective officers or directors or controlling persons, and (c) the acceptance of any payment for the Shares. The provisions of Sections 4 and 6 hereof shall also survive the termination of this Dealer Manager Agreement.

6. Applicable Law

This Dealer Manager Agreement was executed and delivered in, and its validity, interpretation and construction shall be governed by, the laws of the State of Texas; provided however, that causes of action for violations of federal or state securities laws shall not be governed by this Section 6. The Company, the Dealer Manager, the Advisor and each Dealer hereby acknowledges and agrees that venue for any action brought hereunder or in connection herewith shall lie exclusively in Houston, Texas.

7. Counterparts

This Dealer Manager Agreement may be executed in any number of counterparts. Each counterpart, when executed and delivered, shall be an original contract, but all counterparts, when taken together, shall constitute one and the same agreement.

8. Successors and Amendment

8.1. This Dealer Manager Agreement shall inure to the benefit of and be binding upon the Dealer Manager and the Company and, solely with respect to Section 3.3, the Advisor and their respective successors, and to the benefit of the Dealers to the extent set forth in Sections 1 and 4 hereof. Nothing in this Dealer Manager Agreement is intended or shall be construed to give to any other person any right, remedy or claim, except as otherwise specifically provided herein.

8.2. This Dealer Manager Agreement may be amended by the written agreement of the Dealer Manager and of the Company and, solely with respect to Section 3.3, of the Advisor.

9. Term

This Dealer Manager Agreement may be terminated by any of the parties (a) immediately upon notice to the other parties in the event that the non-terminating party shall have materially failed to comply with any of the material provisions of this Dealer Manager Agreement on its part to be performed during the term of this Agreement or if any of the representations, warranties, covenants or agreements of such party contained herein shall not have been materially complied with or satisfied within the times specified or (b) on 60 days' written notice.

In any case, this Dealer Manager Agreement shall expire at the close of business on the effective date that the Offering is terminated. In addition, the Dealer Manager, upon the expiration or termination of this Dealer Manager Agreement, shall (a) promptly transmit any and all funds in its possession which were received from investors for the sale of Shares to any account that the Company may designate; and (b) promptly deliver to the Company all records and documents in its possession which relate to the Offering which are not designated as dealer copies. The Dealer Manager, at its sole expense, may make and retain copies of all such records and documents, but shall keep all such information confidential. The Dealer Manager shall use its best efforts to cooperate with the Company to accomplish any orderly transfer of management of the Offering to a party designated by the Company. Upon expiration or termination of this Dealer Manager Agreement, the Company and the Advisor shall pay to the Dealer Manager all compensation to

which the Dealer Manager is or becomes entitled under Section 3, including without limitation commissions and Dealer Manager Fees, at such time as such compensation becomes payable; provided, however, the Advisor shall only be obligated to pay to the Dealer Manager the respective portion of any Dealer Manager Fees that the Advisor is required to pay pursuant to Section 3.3.

10. Confirmation

The Company hereby agrees to prepare and send confirmations to all purchasers of Shares whose subscriptions for the purchase of Shares are accepted by the Company.

11. Suitability of Investors

The Dealer Manager will offer Shares, and in its agreements with Dealers will require that the Dealers offer Shares, only to persons who meet the suitability standards set forth in the Prospectus or in any suitability letter or memorandum sent to it by the Company and will only make offers to persons in the states in which it is advised in writing that the Shares are qualified for sale or that such qualification is not required. In offering Shares, the Dealer Manager will, and in its agreements with Dealers, the Dealer Manager will, require that the Dealers comply with the provisions of all applicable rules and regulations relating to suitability of investors, including without limitation, the provisions of Article III.C. and Article III.E.1 of the NASAA REIT Guidelines.

12. Submission of Orders

12.1. Those persons who purchase Shares will be instructed by the Dealer Manager or the Dealer to make their checks payable or wire funds to “Hines Global REIT II, Inc.” The Dealer Manager and any Dealer receiving a check or wire transfer (collectively, a “Payment”) not conforming to the foregoing instructions shall return such Payment directly to such subscriber not later than the end of the next business day following its receipt. Payments received by the Dealer Manager or Dealer which conform to the foregoing instructions shall be transmitted for deposit pursuant to one of the methods described in this Section 12. Transmittal of received investor funds will be made in accordance with the following procedures.

12.2. Where, pursuant to a Dealer’s internal supervisory procedures, internal supervisory review is conducted at the same location at which subscription documents and Payments are received from subscribers, Payments will be transmitted by the end of the next business day following receipt by the Dealer to an account designated by the Company.

12.3. Where, pursuant to a Dealer’s internal supervisory procedures, final internal supervisory review is conducted at a different location, Payments will be transmitted by the end of the next business day following receipt by the Dealer to the office of the Dealer conducting such final internal supervisory review (the “Final Review Office”). The Final Review Office will in turn transmit by the end of the next business day following receipt at a different location by the Final Review Office such Payments to an account designated by the Company.

Ladies and Gentlemen:

We have served as Maryland counsel to Hines Global REIT II, Inc., a Maryland corporation (the “Company”), in connection with certain matters of Maryland law arising out of the registration of \$2,500,000,000 in shares (the “Shares”) of common stock, \$0.001 par value per share, of the Company, consisting of Class A Common Stock (“Class A Shares”), Class T Common Stock (“Class T Shares”) and Class I Common Stock (“Class I Shares”), covered by the above-referenced Registration Statement, and all amendments thereto (the “Registration Statement”), filed by the Company with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “1933 Act”). \$2,000,000,000 in Shares (the “Public Offering Shares”) are issuable in a primary offering (the “Offering”) pursuant to subscription agreements (the “Subscription Agreements”) and \$500,000,000 in Shares (the “Plan Shares”) are issuable pursuant to the Company’s Fifth Amended and Restated Distribution Reinvestment Plan (the “Plan”), subject to the right of the Company to reallocate Shares between the Offering and the Plan as described in the Registration Statement.

In connection with our representation of the Company, and as a basis for the opinion hereinafter set forth, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents (herein collectively referred to as the “Documents”):

1. The Registration Statement and the related form of prospectus included therein (including, without limitation, the form of Subscription Agreement attached thereto as Appendix B and the Plan attached thereto as Appendix C) in the form in which it was transmitted to the Commission under the 1933 Act;
2. The charter of the Company (the “Charter”), certified by the State Department of Assessments and Taxation of Maryland (the “SDAT”);

4. A certificate of the SDAT as to the good standing of the Company, dated as of a recent date;

5. Resolutions adopted by the Board of Directors of the Company relating to the sale, issuance and registration of the Shares (the “Resolutions”), certified as of the date hereof by an officer of the Company;

6. A certificate executed by an officer of the Company, dated as of the date hereof; and

7. Such other documents and matters as we have deemed necessary or appropriate to express the opinion set forth below, subject to the assumptions, limitations and qualifications stated herein.

In expressing the opinion set forth below, we have assumed the following:

4. All Documents submitted to us as originals are authentic. There has been no oral or written modification of or amendment to any of the Documents, and there has been no waiver of any provision of any of the Documents, by action or omission of the parties or otherwise.

5. The Shares will not be issued or transferred in violation of any restriction or limitation on transfer and ownership of shares of stock of the Company contained in Article VII of the Charter.

(a) The term of the Partnership shall continue in full force and effect until the first to occur of any of the following events:

(ii) The passage of ninety (90) days after the sale or other disposition of all or substantially all of the assets of the Partnership (provided that if the Partnership receives an installment obligation as consideration for such sale or other disposition, the Partnership shall continue, unless sooner dissolved under the provisions of this Agreement, until such time as such note or notes are paid in full); or

(iii) The election by the General Partner that the Partnership should be dissolved.

(b) Upon dissolution of the Partnership (unless the business of the Partnership is continued pursuant to Section 7.3(b) hereof), the General Partner (or its trustee, receiver, successor or legal representative) shall amend or cancel any Certificate(s) and liquidate the Partnership's assets and apply and distribute the proceeds thereof in accordance with Section

5.7 hereof. Notwithstanding the foregoing, the liquidating General Partner may either (i) defer liquidation of, or withhold from distribution for a reasonable time, any assets of the Partnership (including those necessary to satisfy the Partnership's debts and obligations), or (ii) distribute the assets to the Partners in kind.

2.5 Filing of Certificate and Perfection of Limited Partnership. ARTICLE 3

BUSINESS OF THE PARTNERSHIP

The purpose and nature of the business to be conducted by the Partnership is (i) to conduct any business that may be lawfully conducted by a limited partnership organized pursuant to the Act, provided, however, that such business shall be limited to and conducted in such a manner as to permit the General Partner at all times to qualify as a REIT, unless the General Partner otherwise ceases to qualify as a REIT, and in a manner such that the General Partner will not be subject to any taxes under Section 857 or 4981 of the Code, (ii) to enter into any partnership, joint venture, co-ownership or other similar arrangement to engage in any of the foregoing or the ownership of interests in any entity engaged in any of the foregoing and (iii) to do anything necessary or incidental to the foregoing. In connection with the foregoing, and without limiting the General Partner's right in its sole and absolute discretion to qualify or cease qualifying as a REIT, the Partners acknowledge that the General Partner intends to qualify as a REIT for federal income tax purposes and upon such qualification the avoidance of income and excise taxes on the General Partner inures to the benefit of all the Partners and not solely to the General Partner. Notwithstanding the foregoing, the Limited Partners agree that the General Partner may terminate its status as a REIT under the Code at any time to the full extent permitted under the Charter. The General Partner on behalf of the Partnership shall also be empowered to do any and all acts and things necessary or prudent to ensure that the Partnership will not be classified as a "publicly traded partnership" for purposes of Section 7704 of the Code.

ARTICLE 4

CAPITAL CONTRIBUTIONS AND ACCOUNTS

4.1 Capital Contributions. The General Partner and the initial Limited Partners have made capital contributions to the Partnership in exchange for the Partnership Interests set forth opposite their names on Exhibit A, as such Exhibit may be amended from time to time. The Partners shall own Partnership Units of the Class or series and in the amounts set forth in Exhibit A and shall have a Percentage Interest in the Partnership as set forth in Exhibit A, which Percentage Interest shall be adjusted in Exhibit A from time to time by the General Partner to the extent necessary to reflect accurately exchanges, Redemptions, Capital Contributions, the issuance of additional Partnership Units or similar events having an effect on a Partner's Percentage Interest.

4.2 Additional Capital Contributions and Issuances of Additional Partnership Interests. Except as provided in this Section 4.2 or in Section 4.3, the Partners shall have no right or obligation to make any additional Capital Contributions or loans to the Partnership. The General Partner may contribute additional capital to the Partnership, from time to time, and receive additional Partnership Interests in respect thereof, in the manner contemplated in this Section 4.2.

(a) Issuances of Additional Partnership Interests.

General. The General Partner is hereby authorized to cause the Partnership to issue such additional Partnership Interests in the form of Partnership Units for any Partnership purpose at any time or from time to time, including but not limited to Partnership Units issued in connection with acquisitions of properties, to the Partners (including the General Partner) or to other Persons for such consideration and on such terms and conditions as shall be established by the General Partner in its sole and absolute discretion, all without the approval of any Limited Partners. No additional Partnership Interests shall be issued in connection with any amounts paid to the Partnership which are generated from the operation or sale of a property or interest therein acquired either directly or indirectly by the General Partner in whole or in part with the proceeds from an Asset Acquisition Distribution, an Asset Acquisition Redemption or an Asset Acquisition Contribution ("General Partner Property"). The Partners agree that solely for Federal income tax purposes, the General Partner Property shall be treated as being owned by the Partnership. In applying the preceding sentence, and for purposes of this Agreement, in the case of property that consists of equity interests in an entity which is classified for Federal income tax purposes as a corporation (or which would be classified as a corporation for Federal income tax purposes but for the application of Section 856(i) of the Code), other than a corporation for which a valid election is in effect to be treated as a taxable REIT subsidiary of the General Partner within the meaning of Section 856(l) of the Code, the assets of such entity (and, for the avoidance of doubt, not the equity interests in the entity), together with liabilities associated with such assets, shall be General Partner Property, and the General Partner shall cause such entity to pay General Partner Property Amounts to the Partnership in the manner provided in Section 4.2(a)(ii). Any additional Partnership Interests issued may be issued in one or more Classes (including the Classes specified in this Agreement or any other Classes), or one or more series of any of such Classes, with such designations, preferences and relative, participating, optional or other special rights, powers and duties, including rights, powers and duties senior to Limited Partnership Interests, all as shall be determined by the General Partner in its sole and absolute discretion and without the approval of any Limited Partner, subject to Delaware law, including, without limitation, (i) the allocations of items of Partnership income, gain, loss, deduction and credit to each such Class or series of Partnership Interests; (ii) the right of each such Class or series of Partnership Interests to share in Partnership distributions; and (iii) the rights of each such Class or series of Partnership Interests upon dissolution and liquidation of the Partnership; provided, however, that no additional Partnership Interests shall be issued to the General Partner unless:

(1) (A) the additional Partnership Interests are issued in connection with an issuance of REIT Shares of or other interests in the General Partner, which shares or interests have designations, preferences and other rights, all such that the economic interests are substantially similar to the designations, preferences and other rights of the additional Partnership Interests issued to the General Partner by the Partnership in accordance with this Section 4.2 (without limiting the foregoing, for example, the Partnership shall issue Partnership Interests consisting of Class A Units to the General Partner in connection with the issuance of Class A REIT Shares, shall issue Partnership Interests consisting of Class I Units to the General Partner in connection with the issuance of Class I REIT Shares, shall issue Partnership Interests consisting of Class J Units to the General Partner in connection with the issuance of Class J REIT Shares and shall issue Partnership

Interests consisting of Class T Units to the General Partner in connection with the issuance of Class T REIT Shares) and (B) the General Partner shall make a Capital Contribution to the Partnership in an amount equal to the proceeds raised in connection with the issuance of such shares of stock of or other interests in the General Partner;

(2) the additional Partnership Interests are issued in exchange for property owned by the General Partner with a fair market value, as determined by the General Partner, in good faith, equal to the value of the Partnership Interests; or

(3) the additional Partnership Interests are issued to all Partners holding Partnership Units in proportion to their respective Percentage Interests. Without limiting the foregoing, the General Partner is expressly authorized to cause the Partnership to issue Partnership Units for less than fair market value, so long as the General Partner concludes in good faith that such issuance is in the best interests of the General Partner and the Partnership.

(ii) Upon Issuance of Additional Securities. The General Partner shall not issue any Additional Securities other than to all holders of REIT Shares, unless (A) the General Partner shall cause the Partnership to issue to the General Partner, as the General Partner may designate, Partnership Interests or rights, options, warrants or convertible or exchangeable securities of the Partnership having designations, preferences and other rights, all such that the economic interests are substantially similar to those of the Additional Securities, and (B) the General Partner contributes the proceeds from the issuance of such Additional Securities and from any exercise of rights contained in such Additional Securities, directly and through the General Partner, to the Partnership (without limiting the foregoing, for example, the Partnership shall issue Limited Partnership Interests consisting of Class A Units to the General Partner in connection with the issuance of Class A REIT Shares, shall issue Partnership Interests consisting of Class I Units to the General Partner in connection with the issuance of Class I REIT Shares, shall issue Partnership Interests consisting of Class J Units to the General Partner in connection with the issuance of Class J REIT Shares and shall issue Limited Partnership Interests consisting of Class T Units to the General Partner in connection with the issuance of Class T REIT Shares); provided, however, that the General Partner is allowed to issue Additional Securities and use the proceeds from such issuance (“Asset Acquisition Contributions”) in connection with an acquisition of a General Partner Property and any Asset Acquisition Contributions are not required to be contributed to the Partnership. As indicated above, the Partners agree that for Federal income tax purposes, General Partner Property (and all associated items of income, gain, loss and deduction) will be treated as being owned by the Partnership and, as such, the General Partner agrees to transfer to the Partnership any amounts it receives from the operation and/or disposition of General Partner Property (“General Partner Property Amounts”) and all General Partner Property Amounts shall then be paid by the Partnership in accordance with Section 5.2(b) of this Agreement. Without limiting the foregoing, the General Partner is expressly authorized to issue Additional Securities for less than fair market value, and to cause the Partnership to issue to the General Partner corresponding Partnership Interests, so long as (x) the General Partner concludes in good faith that such issuance is in the best interests of the General Partner and the Partnership, including without limitation, the issuance of REIT Shares and corresponding Partnership Units pursuant to an employee share purchase plan providing for employee purchases of REIT Shares at a discount from fair market value or employee stock options

that have an exercise price that is less than the fair market value of the REIT Shares, either at the time of issuance or at the time of exercise, and (y) the General Partner contributes all proceeds from such issuance to the Partnership.

(b) Certain Deemed Contributions of Proceeds of Issuance of REIT Shares. Except as otherwise permitted hereunder, in connection with any and all issuances of REIT Shares, the General Partner shall make Capital Contributions to the Partnership of the proceeds therefrom, provided that if the proceeds actually received and contributed by the General Partner are less than the gross proceeds of such issuance as a result of any underwriter's discount or other expenses paid or incurred in connection with such issuance, then the General Partner shall be deemed to have made Capital Contributions to the Partnership in the aggregate amount of the gross proceeds of such issuance and the Partnership shall be deemed simultaneously to have paid such offering expenses in accordance with Section 6.5 hereof and in connection with the required issuance of additional Partnership Units to the General Partner for such Capital Contributions pursuant to Section 4.2(a) hereof, and any such expenses shall be allocable solely to the Class of Partnership Units issued to the General Partner at such time.

4.3 Additional Funding. If the General Partner determines that it is in the best interests of the Partnership to provide for additional Partnership funds ("Additional Funds") for any Partnership purpose, the General Partner may (i) cause the Partnership to obtain such funds from outside borrowings, or (ii) elect to have the General Partner or any of its Affiliates provide such Additional Funds to the Partnership through loans or otherwise, provided, however, that the Partnership may not borrow money from its Affiliates, unless a majority of the Directors of the General Partner (including a majority of Independent Directors) not otherwise interested in such transaction approve the transaction as being fair, competitive, and commercially reasonable and no less favorable to the Partnership than comparable loans between unaffiliated parties.

4.4 Capital Accounts.

(a) A separate capital account (each a "Capital Account") shall be maintained for each Partner in accordance with the rules of Treasury Regulations Section 1.704-1(b)(2)(iv), and this Section 4.4 and Article 5 shall be interpreted and applied in a manner consistent therewith. Whenever the Partnership would be permitted to adjust the Capital Accounts of the Partners pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) to reflect revaluations of Partnership property, the Partnership may so adjust the Capital Accounts of the Partners. In the event that the Capital Accounts of the Partners are adjusted pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(f) to reflect revaluations of Partnership property, (i) the Capital Accounts of the Partners shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g) for allocations of depreciation, depletion, amortization and gain or loss, as computed for book purposes, with respect to such property, (ii) the Partners' distributive shares of depreciation, depletion, amortization and gain or loss, as computed for tax purposes, with respect to such property shall be determined so as to take account of the variation between the adjusted tax basis and book value of such property in the same manner as under Code Section 704(c), and (iii) the amount of upward and/or downward adjustments to the book value of the Partnership property shall be treated as income, gain, deduction and/or loss for purposes of applying the allocation provisions of Article 5. In the event that Code

Section 704(c) applies to Partnership property, the Capital Accounts of the Partners shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g) for allocations of depreciation, depletion, amortization and gain and loss, as computed for book purposes, with respect to such property.

(b) Notwithstanding any provision herein to the contrary, any fees, expenses or other costs of the Partnership that are required to be paid by the General Partner without reimbursement and that are required to be treated as capital contributions to the Partnership for purposes of the Treasury Regulations promulgated under Section 704(b) of the Code, shall be added to the balance of the General Partner's Capital Account.

4.5 Percentage Interests. If the number of outstanding Partnership Units increases or decreases during a taxable year, each Partner's Percentage Interest shall be adjusted by the General Partner effective as of the effective date of each such increase or decrease. If the Partners' Percentage Interests are adjusted pursuant to this Section 4.5, the net profits and net losses (and items thereof) for the taxable year in which the adjustment occurs shall be allocated between the part of the year ending on the day when the Partnership's property is revalued by the General Partner and the part of the year beginning on the following day either (i) as if the taxable year had ended on the date of the adjustment or (ii) based on the number of days in each part. The General Partner, in its sole and absolute discretion, shall determine which method shall be used to allocate net profits and net losses (or items thereof) for the taxable year in which the adjustment occurs. The allocation of net profits and net losses (or items thereof) for the earlier part of the year shall be based on the Percentage Interests before adjustment, and the allocation of net profits and net losses (or items thereof) for the later part shall be based on the adjusted Percentage Interests.

4.6 No Interest On Contributions. No Partner shall be entitled to interest on its Capital Contribution.

4.7 Return Of Capital Contributions. No Partner shall be entitled to withdraw any part of its Capital Contribution or its Capital Account or to receive any distribution from the Partnership, except as specifically provided in this Agreement. Except as otherwise provided herein, there shall be no obligation to return to any Partner or withdrawn Partner any part of such Partner's Capital Contribution for so long as the Partnership continues in existence.

4.8 No Third Party Beneficiary. No creditor or other third party having dealings with the Partnership shall have the right to enforce the right or obligation of any Partner to make Capital Contributions or loans or to pursue any other right or remedy hereunder or at law or in equity, it being understood and agreed that the provisions of this Agreement shall be solely for the benefit of, and may be enforced solely by, the parties hereto and their respective successors and assigns. None of the rights or obligations of the Partners herein set forth to make Capital Contributions or loans to the Partnership shall be deemed an asset of the Partnership for any purpose by any creditor or other third party, nor may such rights or obligations be sold, transferred or assigned by the Partnership or pledged or encumbered by the Partnership to secure any debt or other obligation of the Partnership or of any of the Partners. In addition, it is the intent of the parties hereto that no distribution to any Limited Partner shall be deemed a return of money or other property in violation of the Act. However, if any court of competent jurisdiction holds that, notwithstanding the provisions

of this Agreement, any Limited Partner is obligated to return such money or property, such obligation shall be the obligation of such Limited Partner and not of the General Partner. Without limiting the generality of the foregoing, a deficit Capital Account of a Partner shall not be deemed to be a liability of such Partner nor an asset or property of the Partnership.

ARTICLE 5

PROFITS AND LOSSES; DISTRIBUTIONS

5.1 Allocation of Profit and Loss.

(a) General.

(i) Net income and net loss (or items thereof) of the Partnership for each fiscal year or other applicable period of the Partnership shall be allocated among the OP Unitholders in accordance with their respective Percentage Interests;

(ii) Notwithstanding the foregoing, and subject only to the provisions of paragraphs (b) and (h) and, to the extent set forth in this clause (ii) below, paragraph (c), net income shall first be allocated to the holder of the Special OP Units until such holder has received aggregate allocations of income for all fiscal years equal to the aggregate amount of distributions such holder is entitled to receive or has received with respect to such Special OP Units for such fiscal year and all prior fiscal years, provided that in the event the holder of the Special OP Unit's entitlement to income allocations in such fiscal year would be satisfied pursuant to the allocations set forth in paragraph (c) below, then such allocations shall be made pursuant to paragraph (c) below in lieu of the provisions of this clause (ii).

(b) General Partner Gross Income Allocation. There shall be specially allocated to the General Partner an amount of (i) first, items of Partnership income and (ii) second, items of Partnership gain during each fiscal year or other applicable period, before any other allocations are made hereunder, in an amount equal to the excess, if any, of (A) the cumulative distributions made to the General Partner under Section 6.5(b) hereof, other than distributions which would properly be treated as "guaranteed payments" or which are attributable to the reimbursement of expenses which would properly be deductible by the Partnership, over (B) the cumulative allocations of Partnership income and gain to the General Partner under this Section 5.1(b).

(c) Special Allocation with Respect to Sales. Items of income, gain, credit, loss and deduction of the Partnership for each fiscal year or other applicable period from Sales, other than any such items allocated under Section 5.1(b), shall be allocated among the Partners in a manner that will, as nearly as possible (after giving effect to the allocations under Sections 5.1(a) and 5.1(d)) cause the Capital Account balance of each Partner at the end of such fiscal year or other applicable period to equal (i) the amount of the hypothetical distribution that such Partner would receive if the Partnership were liquidated on the last day of such period and all assets of the Partnership, including cash, were sold for cash equal to their Carrying Value, taking into account any adjustments thereto

for such period, all liabilities of the Partnership were satisfied in full in cash according to their terms (limited with respect to each nonrecourse liability to the Carrying Value of the assets securing such liability) and Net Sales Proceeds (after satisfaction of such liabilities) were distributed in full pursuant to Section 5.2(b), minus (ii) the sum of such Partner's share of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain and the amount, if any and without duplication, that the Partner would be obligated to contribute to the capital of the Partnership, all computed as of the date of the hypothetical sale of assets.

(d) Nonrecourse Deductions; Minimum Gain Chargeback. Notwithstanding any provision to the contrary, (i) any expense of the Partnership that is a "nonrecourse deduction" within the meaning of Regulations Section 1.704-2(b)(1) shall be allocated in accordance with the Partners' respective Percentage Interests, (ii) any expense of the Partnership that is a "partner nonrecourse deduction" within the meaning of Regulations Section 1.704-2(i)(2) shall be allocated to the Partner that bears the "economic risk of loss" with respect to the liability to which such deductions are attributable in accordance with Regulations Section 1.704-2(i)(1), (iii) if there is a net decrease in Partnership Minimum Gain within the meaning of Regulations Section 1.704-2(f)(1) for any Partnership taxable year, then, subject to the exceptions set forth in Regulations Section 1.704-2(f)(2),(3), (4) and (5), items of gain and income shall be allocated among the Partners in accordance with Regulations Section 1.704-2(f) and the ordering rules contained in Regulations Section 1.704-2(j), and (iv) if there is a net decrease in Partner Nonrecourse Debt Minimum Gain within the meaning of Regulations Section 1.704-2(i)(4) for any Partnership taxable year, then, subject to the exceptions set forth in Regulations Section 1.704-2(g), items of gain and income shall be allocated among the Partners in accordance with Regulations Section 1.704-2(i)(4) and the ordering rules contained in Regulations Section 1.704-2(j). A Partner's "interest in partnership profits" for purposes of determining its share of the excess nonrecourse liabilities of the Partnership within the meaning of Regulations Section 1.752-3(a)(3) shall be such Partner's Percentage Interest.

(e) Qualified Income Offset. If a Partner unexpectedly receives in any taxable year an adjustment, allocation, or distribution described in subparagraphs (4), (5), or (6) of Regulations Section 1.704-1(b)(2)(ii)(d) that causes or increases a deficit balance in such Partner's Capital Account that exceeds the sum of such Partner's shares of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, as determined in accordance with Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), such Partner shall be allocated specially for such taxable year (and, if necessary, later taxable years) items of income and gain in an amount and manner sufficient to eliminate such deficit Capital Account balance as quickly as possible as provided in Regulations Section 1.704-1(b)(2)(ii)(d). This Section 5.1(e) is intended to constitute a "qualified income offset" under Section 1.704-1(b)(2)(ii)(d) of the Regulations and shall be interpreted consistently therewith. After the occurrence of an allocation of income or gain to a Partner in accordance with this Section 5.1(e), to the extent permitted by Regulations Section 1.704-1(b), items of expense or loss shall be allocated to such Partner in an amount necessary to offset the income or gain previously allocated to such Partner under this Section 5.1(e).

(f) Capital Account Deficits. Loss (or items of loss) shall not be allocated to a Limited Partner to the extent that such allocation would cause or increase a deficit in such Partner's Capital Account at the end of any fiscal year (after reduction to reflect the items described in

Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6)) to exceed the sum of such Partner's shares of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, as determined in accordance with Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5). Any net loss in excess of that limitation shall be allocated to the General Partner. After the occurrence of an allocation of net loss to the General Partner in accordance with this Section 5.1(f), to the extent permitted by Regulations Section 1.704-1(b), Profit shall be allocated to such Partner in an amount necessary to offset the net loss previously allocated to such Partner under this Section 5.1(f).

(g) Allocations Between Transferor and Transferee. If a Partner transfers any part or all of its Partnership Interest, the distributive shares of the various items of profit and loss allocable among the Partners during such fiscal year of the Partnership shall be allocated between the transferor and the transferee Partner either (i) as if the Partnership's fiscal year had ended on the date of the transfer, or (ii) based on the number of days of such fiscal year that each was a Partner without regard to the results of Partnership activities in the respective portions of such fiscal year in which the transferor and the transferee were Partners. The General Partner, in its sole and absolute discretion, shall determine which method shall be used to allocate the distributive shares of the various items of Profit and profit and loss between the transferor and the transferee Partner.

(h) Special Allocations of Class-Specific Items. To the extent that any items of income, gain, loss or deduction of the General Partner are allocable to a specific Class or Classes of REIT Shares as provided in the Prospectus, including, without limitation, Distribution and Stockholder Servicing Fees, such items, or an amount equal thereto, shall be specially allocated to the Class or Classes of Partnership Units corresponding to such Class or Classes of REIT Shares.

(i) Curative Allocations. The allocations set forth in Sections 5.1(d), 5.1(e) and 5.1(f) of this Agreement (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. The General Partner is authorized to offset all Regulatory Allocations either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss or deduction pursuant to this Section 5.1(i). Therefore, notwithstanding any other provision of this Section 5.1 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss or deduction in whatever manner it deems appropriate so that, after such offsetting allocations are made, each Partner's Capital Account is, to the extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of this Agreement and all Partnership items were allocated pursuant to Sections 5.1(a), 5.1(b), 5.1(c), 5.1(g) and 5.1(h).

5.2 Distribution of Cash.

(a) The Partnership may distribute cash on a quarterly (or, at the election of the General Partner, more or less frequent) basis, in an amount determined by the General Partner in its sole and absolute discretion, to the Partners who are Partners on the Partnership Record Date with respect to such quarter (or other distribution period) in accordance with Section 5.2(b).

(b) Except for distributions pursuant to Section 5.6 in connection with an Asset Acquisition Distribution and Section 5.7 in connection with the dissolution and liquidation of the Partnership and subject to the provisions of Sections 5.2(c), 5.2(d), 5.3, 5.5 and 8.5, all distributions

of cash shall be made: (i) first, 100% to the OP Unitholders in accordance with their respective Percentage Interests on the Partnership Record Date, provided that the aggregate distributions made hereunder to the Class T Unitholders and Class I Unitholders, respectively, shall be reduced (but not below zero) by the aggregate Distribution and Stockholder Servicing Fees payable by the General Partner with respect to Class T REIT Shares and Class I REIT Shares, respectively, with respect to such Record Date, until (A) the OP Unitholders (other than the General Partner) have received cumulative distributions under this Section 5.2(b) equal to aggregate Capital Contributions made by such OP Unitholders to the Partnership plus a cumulative, noncompounded pre-tax rate of return thereon of 6.0% per annum, determined by taking into account the dates on which all such Capital Contributions and distributions were made and (B) the General Partner has received cumulative distributions under this Section 5.2, equal to (1) the aggregate Capital Contributions made by the General Partner to the Partnership; plus (2) the Asset Acquisition Contributions; plus (3) a cumulative, noncompounded pre-tax rate of return on (1) and (2) of 6.0% per annum, determined by taking into account the dates on which all such Capital Contributions, Asset Acquisition Contributions and distributions were made and (ii) second, (A) 85% to the OP Unitholders, in accordance with their respective Percentage Interests on the Partnership Record Date, provided that the aggregate distributions made hereunder to the Class T Unitholders and Class I Unitholders, respectively, shall be reduced (but not below zero) by the aggregate Distribution and Stockholder Servicing Fees payable by the General Partner with respect to Class T REIT Shares and Class I REIT Shares, respectively, with respect to such Record Date to the extent that the aggregate reduction made under Section 5.2(b)(i) above with respect to such Record Date is less than the Distribution and Stockholder Servicing Fees payable with respect to such Class T REIT Shares and such Class I REIT Shares, respectively, with respect to such date and (B) 15% to the holder of the Special OP Units, provided however, notwithstanding the foregoing, in the event that the Special OP Unitholder has received a distribution under the circumstances described in Section 8.5(b)(iv) hereof (a “Special OP Unit Distribution”) and there is a subsequent Termination Event, no further amount shall be distributed to the Special OP Unitholder until the OP Unitholders have collectively received aggregate distributions equal to the sum of (x) the amount such OP Unitholders are entitled to receive pursuant to this Section 5.2(b)(i) plus (y) an amount equal to 85% of (i) the Special OP Unit Distribution divided by (ii) .15. In applying this Section 5.2(b), the amount distributed per Partnership Unit of any Class may differ from the amount per Partnership Unit of another Class on account of differences in Class-specific expense allocations with respect to REIT Shares as described in the Prospectus (and of corresponding special allocations among Classes of Partnership Units in accordance with Section 5.1(h) hereof) or for other reasons as determined by the board of directors of the General Partner. Any such differences shall correspond to differences in the amount of distributions per REIT Share for REIT Shares of different Classes, with the same adjustments being made to the amount of distributions per Partnership Unit for Partnership Units of a particular Class as are made to the distributions per REIT Share by the General Partner with respect to REIT Shares having the same Class designation.

(c) Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law including, without limitation, pursuant to Sections 1441, 1442, 1445, 1446, 1471, 1472 and 3406 of the Code. To the extent that the Partnership is required to withhold

and pay over to any taxing authority any amount resulting from the allocation or distribution of income to any Partner or assignee (including by reason of Section 1446 of the Code), either (i) if the actual amount to be distributed to the Partner equals or exceeds the amount required to be withheld by the Partnership, the amount withheld shall be treated as a distribution of cash in the amount of such withholding to such Partner, or (ii) if the actual amount to be distributed to the Partner is less than the amount required to be withheld by the Partnership, the actual amount shall be treated as a distribution of cash in the amount of such withholding and the additional amount required to be withheld shall be treated as a loan (a “Partnership Loan”) from the Partnership to the Partner on the day the Partnership pays over such amount to a taxing authority. A Partnership Loan shall be repaid through withholding by the Partnership with respect to subsequent distributions to the applicable Partner or assignee. In the event that a Limited Partner (a “Defaulting Limited Partner”) fails to pay any amount owed to the Partnership with respect to the Partnership Loan within fifteen (15) days after demand for payment thereof is made by the Partnership on the Limited Partner, the General Partner, in its sole and absolute discretion, may elect to make the payment to the Partnership on behalf of such Defaulting Limited Partner. In such event, on the date of payment, the General Partner shall be deemed to have extended a loan (a “General Partner Loan”) to the Defaulting Limited Partner in the amount of the payment made by the General Partner and shall succeed to all rights and remedies of the Partnership against the Defaulting Limited Partner as to that amount. Without limitation, the General Partner shall have the right to receive any distributions that otherwise would be made by the Partnership to the Defaulting Limited Partner until such time as the General Partner Loan has been paid in full, and any such distributions so received by the General Partner shall be treated as having been received by the Defaulting Limited Partner and immediately paid to the General Partner. Any amounts treated as a Partnership Loan or a General Partner Loan pursuant to this Section 5.2(c) shall bear interest at the lesser of (i) the base rate on corporate loans at large United States money center commercial banks, as published from time to time in The Wall Street Journal, or (ii) the maximum lawful rate of interest on such obligation, such interest to accrue from the date the Partnership or the General Partner, as applicable, is deemed to extend the loan until such loan is repaid in full.

(d) In no event may a Partner receive a distribution of cash with respect to a Partnership Unit if such Partner is entitled to receive a cash distribution as the holder of record of a REIT Share for which all or part of such Partnership Unit has been or will be exchanged.

5.3 REIT Distribution Requirements. The General Partner shall use its commercially reasonable efforts to cause the Partnership to distribute amounts sufficient to enable the General Partner to make shareholder distributions that will allow the General Partner to (i) meet its distribution requirement for qualification as a REIT as set forth in Section 857 of the Code and (ii) avoid any federal income or excise tax liability imposed by the Code.

5.4 No Right to Distributions in Kind. No Partner shall be entitled to demand property other than cash in connection with any distributions by the Partnership.

5.5 Limitations on Return of Capital Contributions. Notwithstanding any of the provisions of this Article 5, no Partner shall have the right to receive and the General Partner shall not have the right to make, a distribution that includes a return of all or part of a Partner’s Capital

Contributions, unless after giving effect to the return of a Capital Contribution, the sum of all Partnership liabilities, other than the liabilities to a Partner for the return of his Capital Contribution, does not exceed the fair market value of the Partnership's assets.

5.6 Asset Acquisition Distributions. Notwithstanding any of the provisions of this Article 5, to the extent the General Partner has made Capital Contributions to the Partnership of the proceeds from the issuance of Additional Securities pursuant to Section 4.2(a)(ii) hereof or the Partnership has borrowed funds or otherwise has funds available for real estate related acquisitions, and it is determined by the General Partner that (i) the General Partner should acquire a General Partner Property and (ii) funds are needed in order for the General Partner to acquire a General Partner Property, then the General Partner shall elect to receive such funds from the Partnership and the Partnership shall pay such funds to the General Partner either as an Asset Acquisition Distribution under this Section 5.6 or as an Asset Acquisition Redemption under Section 8.4.

5.7 Distributions Upon Liquidation. Upon liquidation of the Partnership, after payment of, or adequate provision for, debts and obligations of the Partnership, including any Partner loans, any remaining assets of the Partnership shall be distributed to all Partners in proportion to their respective positive Capital Account balances, determined after taking into account all allocations required to be made pursuant to Section 5.1 hereof and all prior distributions made pursuant to this Article 5, in compliance with Treasury Regulation Section 1.704-1(b)(2)(ii)(b)(2). Notwithstanding any other provision of this Agreement, the amount by which the value, as determined in good faith by the General Partner, of any property other than cash to be distributed in kind to the Partners exceeds or is less than the Carrying Value of such property shall, to the extent not otherwise recognized by the Partnership, be taken into account in computing net profit and net loss of the Partnership (or items thereof) for purposes of crediting or charging the Capital Accounts of, and distributing proceeds to, the Partners, pursuant to this Agreement. To the extent deemed advisable by the General Partner, appropriate arrangements (including the use of a liquidating trust) may be made to assure that adequate funds are available to pay any contingent debts or obligations.

5.8 Substantial Economic Effect. It is the intent of the Partners that the allocations of net profit and net loss (and items thereof) under this Agreement have substantial economic effect (or be consistent with the Partners' interests in the Partnership in the case of the allocation of losses attributable to nonrecourse debt) within the meaning of Section 704(b) of the Code as interpreted by the Regulations promulgated pursuant thereto. Article 5 and other relevant provisions of this Agreement shall be interpreted in a manner consistent with such intent.

ARTICLE 6

RIGHTS, OBLIGATIONS AND POWERS OF THE GENERAL PARTNER

6.1 Management of the Partnership.

(a) Except as otherwise expressly provided in this Agreement, the General Partner shall have full, complete and exclusive discretion to manage and control the business of the Partnership for the purposes herein stated, and shall make all decisions affecting the business and

assets of the Partnership. Subject to the restrictions specifically contained in this Agreement, the powers of the General Partner shall include, without limitation, the authority to take the following actions on behalf of the Partnership:

(i) to acquire, purchase, own, operate, lease, dispose and exchange of any Assets, that the General Partner determines are necessary or appropriate or in the best interests of the business of the Partnership;

(ii) to construct buildings and make other improvements on the properties owned or leased by the Partnership;

(iii) to authorize, issue, sell, redeem or otherwise purchase any Partnership Interests or any securities (including secured and unsecured debt obligations of the Partnership, debt obligations of the Partnership convertible into any Class or series of Partnership Interests, or options, rights, warrants or appreciation rights relating to any Partnership Interests) of the Partnership;

(iv) to borrow or lend money for the Partnership or the General Partner or in connection with a General Partner Property, issue or receive evidences of indebtedness in connection therewith, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such indebtedness, and secure such indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;

(v) to pay, either directly or by reimbursement, for all operating costs and general administrative expenses of the Partnership to third parties or to the General Partner or its Affiliates as set forth in this Agreement;

(vi) to guarantee or become a co-maker of indebtedness of the General Partner or any Subsidiary thereof, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such guarantee or indebtedness, and secure such guarantee or indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;

(vii) to use assets of the Partnership (including, without limitation, cash on hand) for any purpose consistent with this Agreement, including, without limitation, payment, either directly or by reimbursement, of all operating costs and general administrative expenses of the General Partner, the Partnership or any Subsidiary of either, to third parties or to the General Partner as set forth in this Agreement;

(viii) to lease all or any portion of any of the Partnership's assets, whether or not the terms of such leases extend beyond the termination date of the Partnership and whether or not any portion of the Partnership's assets so leased are to be occupied by the lessee, or, in turn, subleased in whole or in part to others, for such consideration and on such terms as the General Partner may determine;

(ix) to prosecute, defend, arbitrate, or compromise any and all claims or liabilities in favor of or against the Partnership, on such terms and in such manner as the General Partner may reasonably determine, and similarly to prosecute, settle or defend litigation with respect to the Partners, the Partnership, or the Partnership's assets;

(x) to file applications, communicate, and otherwise deal with any and all governmental agencies having jurisdiction over, or in any way affecting, the Partnership's assets or any other aspect of the Partnership business;

(xi) to make or revoke any election permitted or required of the Partnership by any taxing authority;

(xii) to maintain such insurance coverage for public liability, fire and casualty, and any and all other insurance for the protection of the Partnership, for the conservation of Partnership assets, or for any other purpose convenient or beneficial to the Partnership, in such amounts and such types, as it shall determine from time to time;

(xiii) to determine whether or not to apply any insurance proceeds for any property to the restoration of such property or to distribute the same;

(xiv) to establish one or more divisions of the Partnership, to hire and dismiss employees of the Partnership or any division of the Partnership, and to retain legal counsel, accountants, consultants, real estate brokers, and such other persons, as the General Partner may deem necessary or appropriate in connection with the Partnership business and to pay therefor such remuneration as the General Partner may deem reasonable and proper;

(xv) to retain other services of any kind or nature in connection with the Partnership business, and to pay therefor such remuneration as the General Partner may deem reasonable and proper;

(xvi) to negotiate and conclude agreements on behalf of the Partnership with respect to any of the rights, powers and authority conferred upon the General Partner;

(xvii) to maintain accurate accounting records and to file promptly all federal, state and local income tax returns on behalf of the Partnership;

(xviii) to distribute Partnership cash or other Partnership assets in accordance with this Agreement;

(xix) to form or acquire an interest in, and contribute property to, any further limited or general partnerships, joint ventures or other relationships that it deems desirable (including, without limitation, the acquisition of interests in, and the contributions of property to, its Subsidiaries and any other Person in which it has an equity interest from time to time);

(xx) to establish Partnership reserves for working capital, capital expenditures, contingent liabilities, or any other valid Partnership purpose;

(xxi) to merge, consolidate or combine the Partnership with or into another Person;

(xxii) to do any and all acts and things necessary or prudent to ensure that the Partnership will not be classified as a “publicly traded partnership” for purposes of Section 7704 of the Code; and

(xxiii) to take such other action, execute, acknowledge, swear to or deliver such other documents and instruments, and perform any and all other acts that the General Partner deems necessary or appropriate for the formation, continuation and conduct of the business and affairs of the Partnership (including, without limitation, all actions consistent with allowing the General Partner at all times to qualify as a REIT unless the General Partner voluntarily terminates its REIT status) and to possess and enjoy all of the rights and powers of a general partner as provided by the Act.

(b) Except as otherwise provided herein, to the extent the duties of the General Partner require expenditures of funds to be paid to third parties, the General Partner shall not have any obligations hereunder except to the extent that partnership funds are reasonably available to it for the performance of such duties, and nothing herein contained shall be deemed to authorize or require the General Partner, in its capacity as such, to expend its individual funds for payment to third parties or to undertake any individual liability or obligation on behalf of the Partnership.

6.2 Delegation of Authority. The General Partner may delegate any or all of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Partnership, which Person may, under supervision of the General Partner, perform any acts or services for the Partnership as the General Partner may approve.

6.3 Indemnification and Exculpation of Indemnitees.

(a) The Partnership shall indemnify an Indemnatee from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including reasonable legal fees and expenses), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership as set forth in this Agreement in which any Indemnatee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established that: (i) the act or omission of the Indemnatee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) the Indemnatee actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, the Indemnatee had reasonable cause to believe that the act or omission was unlawful. Any indemnification pursuant to this Section 6.3 shall be made only out of the assets of the Partnership.

(b) The Partnership shall reimburse an Indemnatee for reasonable expenses incurred by an Indemnatee who is a party to a proceeding in advance of the final disposition of the proceeding upon receipt by the Partnership of (i) a written affirmation by the Indemnatee of the

Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in this Section 6.3 has been met, and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

(c) The indemnification provided by this Section 6.3 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity.

(d) The Partnership may purchase and maintain insurance, on behalf of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 6.3, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of this Section 6.3; and actions taken or omitted by the Indemnitee with respect to an employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the Partnership.

(f) In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.3 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.3 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) Notwithstanding the foregoing, the Partnership may not indemnify or hold harmless an Indemnitee for any liability or loss unless all of the following conditions are met: (i) the Indemnitee has determined, in good faith, that the course of conduct that caused the loss or liability was in the best interests of the Partnership; (ii) the Indemnitee was acting on behalf of or performing services for the Partnership; (iii) the liability or loss was not the result of (A) negligence or misconduct, in the case that the Indemnitee is a director of the General Partner (other than an Independent Director), the Advisor or an Affiliate of the Advisor or (B) gross negligence or willful misconduct, in the case that the Indemnitee is an Independent Director; and (iv) the indemnification or agreement to hold harmless is recoverable only out of net assets of the Partnership. In addition,

the Partnership shall not provide indemnification for any loss, liability or expense arising from or out of an alleged violation of federal or state securities laws by such party unless one or more of the following conditions are met: (i) there has been a successful adjudication on the merits of each count involving alleged material securities law violations as to the Indemnitee; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the Indemnitee; or (iii) a court of competent jurisdiction approves a settlement of the claims against the Indemnitee and finds that indemnification of the settlement and the related costs should be made, and the court considering the request for indemnification has been advised of the position of the Securities and Exchange Commission and of the published position of any state securities regulatory authority in which Securities were offered or sold as to indemnification for violations of securities laws.

6.4 Liability of the General Partner.

(a) Notwithstanding anything to the contrary set forth in this Agreement, the General Partner shall not be liable for monetary damages to the Partnership or any Partners for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission if the General Partner acted in good faith. The General Partner shall not be in breach of any duty that the General Partner may owe to the Limited Partners or the Partnership or any other Persons under this Agreement or of any duty stated or implied by law or equity provided the General Partner, acting in good faith, abides by the terms of this Agreement.

(b) Each Limited Partner expressly acknowledges and agrees that whenever in this Agreement the General Partner is permitted to take any action, make any decision or determination or otherwise vote on or give its consent to any action, the General Partner shall be entitled to exercise its sole and absolute discretion in connection therewith after considering only such interests and factors as it desires and, without limiting the generality of the foregoing, it is specifically agreed and acknowledged that the General Partner in taking any action or declining to take any action hereunder may consider exclusively its own interests or the interests of its shareholders and shall have no duty or obligation to consider the separate interests of or factors affecting the Partnership or any other Partner (including, without limitation, the tax consequences to Limited Partners or the tax consequences of some, but not all, of the Limited Partners). The General Partner shall not be liable for monetary damages for losses sustained, liabilities incurred, or benefits not derived by Limited Partners in connection with such decisions, provided that the General Partner has acted in good faith.

(c) Subject to its obligations and duties as General Partner set forth in Section 6.1 hereof, the General Partner may exercise any of the powers granted to it under this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents. The General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by it in good faith.

(d) Notwithstanding any other provisions of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner to continue to qualify as a REIT or (ii) to prevent the General Partner from incurring any taxes under

Section 857, Section 4981, or any other provision of the Code, is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

(e) Any amendment, modification or repeal of this Section 6.4 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's liability to the Partnership and the Limited Partners under this Section 6.4 as in effect immediately prior to such amendment, modification or repeal with respect to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when claims relating to such matters may arise or be asserted.

(f) In accordance with Section 17-1101(d) of the Act, the Partners hereby acknowledge and agree that the provisions of this Agreement, including the provisions of this Article 6, to the extent they restrict or eliminate the duties (including fiduciary duties) and liabilities relating thereto otherwise existing at law or in equity, replace completely and absolutely such other duties (including fiduciary duties) and liabilities relating thereto and further acknowledge and agree that the provisions of this subsection (f) and the other provisions of this Article 6 are fundamental elements to the agreement of the Partners to enter into this Agreement.

6.5 Reimbursement of General Partner.

(a) Except as provided in this Section 6.5 and elsewhere in this Agreement (including the provisions of Article 5 and Article 6 regarding distributions, payments, and allocations to which it may be entitled), the General Partner shall not be compensated for its services as general partner of the Partnership.

(b) The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all Administrative Expenses incurred by the General Partner.

6.6 Outside Activities. Subject to (a) Section 6.8 hereof, (b) the Charter and (c) any agreements entered into by the General Partner or its Affiliates with the Partnership, a Subsidiary or any officer, director, employee, agent, trustee, Affiliate or shareholder of the General Partner, the General Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities substantially similar or identical to those of the Partnership. Neither the Partnership nor any of the Limited Partners shall have any rights by virtue of this Agreement in any such business ventures, interests or activities. None of the Limited Partners nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any such business ventures, interests or activities, and the General Partner shall have no obligation pursuant to this Agreement to offer any interest in any such business ventures, interests and activities to the Partnership or any Limited Partner, even if such opportunity is of a character which, if presented to the Partnership or any Limited Partner, could be taken by such Person.

6.7 Employment or Retention of Affiliates.

(a) Any Affiliate of the General Partner may be employed or retained by the Partnership and may otherwise deal with the Partnership (whether as a buyer, lessor, lessee, manager, furnisher of goods or services, broker, agent, lender or otherwise) and may receive from the Partnership any compensation, price, or other payment therefor which the General Partner determines to be fair and reasonable.

(b) The Partnership may lend or contribute to its Subsidiaries or other Persons in which it has an equity investment, and such Persons may borrow funds from the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Subsidiary or any other Person.

(c) The Partnership may transfer assets to joint ventures, other partnerships, corporations or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as the General Partner deems are consistent with this Agreement, applicable law and the REIT status of the General Partner.

(d) Except as expressly permitted by this Agreement, neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are, in the General Partner's sole discretion, on terms that are fair and reasonable to the Partnership.

6.8 General Partner Participation. The General Partner agrees that all business activities of the General Partner, including activities pertaining to the acquisition, development or ownership of any Asset, shall be conducted through the Partnership or one or more Subsidiary Partnerships; provided, however, that the General Partner is allowed to acquire General Partner Property under Section 4.2(a)(ii) hereof.

6.9 Title to Partnership Assets. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner for the use and benefit of the Partnership or one or more Subsidiary Partnerships in accordance with the provisions of this Agreement; provided, however, that the General Partner shall use its commercially reasonable efforts to cause beneficial and record title to such assets to be vested in the Partnership as soon as reasonably practicable. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

6.10 Redemption and Exchanges of REIT Shares.

(a) Redemptions. In the event the General Partner redeems any REIT Shares, then the General Partner shall cause the Partnership to purchase from the General Partner a number of Partnership Units having the same Class designation as the Exchanged REIT Shares as determined based on the application of the Conversion Factor on the same terms that the General Partner redeemed such REIT Shares. Moreover, if the General Partner makes a cash tender offer or other offer to acquire REIT Shares, then the General Partner shall cause the Partnership to make a corresponding offer to the General Partner to acquire an equal number of Partnership Units held by the General Partner that have the same Class designation as the REIT Shares that are subject to the offer. In the event any REIT Shares are redeemed by the General Partner pursuant to such offer, the Partnership shall redeem an equivalent number of the General Partner's Partnership Units having the same Class designation as the redeemed REIT Shares for an equivalent purchase price based on the application of the Conversion Factor.

(b) Exchanges. If the General Partner exchanges any REIT Shares of any Class ("Exchanged REIT Shares") for REIT Shares of a different Class ("Received REIT Shares"), then the General Partner shall, and shall cause the Partnership to, exchange a number of Partnership Units having the same Class designation as the Exchanged REIT Shares, as determined based on the application of the Conversion Factor, for Partnership Units having the same Class designation as the Received REIT Shares on the same terms that the General Partner exchanged the Exchanged REIT Shares. The exchange of Units shall occur automatically after the close of business on the applicable date of the exchange of REIT Shares, as of which time the holder of Class of Units having the same designation as the Exchanged REIT Shares shall be credited on the books and records of the Partnership with the issuance, as of the opening of business on the next day, of the applicable number of Units having the same designation as the Received REIT Shares.

6.11 No Duplication of Fees or Expenses. The Partnership may not incur or be responsible for any fee or expense (in connection with the Offering or otherwise) that would be duplicative of fees and expenses paid by the General Partner.

ARTICLE 7

CHANGES IN GENERAL PARTNER

7.1 Transfer of the General Partner's Partnership Interest.

(a) The General Partner shall not transfer all or any portion of its General Partnership Interest or withdraw as General Partner except as provided in, or in connection with a transaction contemplated by, Sections 7.1(c), 7.1(d) or 7.1(e).

(b) The General Partner agrees that its Percentage Interest will at all times be in the aggregate, at least 0.1%.

(c) Except as otherwise provided in Section 6.4(b) or Section 7.1(d) or 7.1(e) hereof, the General Partner shall not engage in any merger, consolidation or other combination with or into another Person or sale of all or substantially all of its assets (other than in connection with a change in the General Partner's state of incorporation or organizational form) in each case which results in a change of control of the General Partner (a "Transaction"), unless:

(i) the consent of Limited Partners holding more than 50% of the Percentage Interests and the consent of the Special OP Unitholder is obtained;

(ii) as a result of such Transaction: (A) all Limited Partners will receive for each Partnership Unit of each Class (other than Special Units) an amount of cash, securities, or other property equal to the product of the Conversion Factor and the greatest amount of cash, securities or other property paid in the Transaction to a holder of one REIT Share having the same Class designation as the Partnership Unit in consideration of such REIT Share, provided that if, in connection with the Transaction, a purchase, tender or exchange offer ("Offer") shall have been made to and accepted by the holders of more than 50% of the outstanding REIT Shares, each holder of Partnership Units shall be given the option to exchange its Partnership Units for the greatest amount of cash, securities, or other property which a Limited Partner holding Partnership Units would have received had it (1) exercised its Redemption Right and (2) sold, tendered or exchanged pursuant to the Offer the REIT Shares received upon exercise of the Redemption Right immediately prior to the expiration of the Offer and (B) the Special OP Unitholder will receive for the Special OP Units an amount of cash, securities or other property (as applicable based upon the type of consideration and the proportions thereof paid to holders of REIT Shares in the Transaction) determined as set forth pursuant to Section 5.2(b) or Section 8.5 hereof, as applicable; or

(iii) the General Partner is the surviving entity in the Transaction and either (A) the holders of REIT Shares do not receive cash, securities, or other property in the Transaction or (B) all Limited Partners (other than the General Partner or any Subsidiary) receive (1) in exchange for their Partnership Units of each Class (other than the Special Units), an amount of cash, securities, or other property (expressed as an amount per REIT Share) that is no less than the product of the Conversion Factor and the greatest amount of cash, securities, or other property (expressed as an amount per REIT Share) received in the Transaction by any holder of REIT Shares having the same Class designation as the Partnership Units being exchanged, and (2) the Special OP Unitholder receives in exchange for the Special OP Units, an amount of cash, securities or other property (as applicable based upon the type of consideration and the proportions thereof paid to holders of REIT Shares in the Transaction) determined as set forth pursuant to Section 8.5(a) hereof.

(d) Notwithstanding Section 7.1(c), the General Partner may merge with or into or consolidate with another entity if immediately after such merger or consolidation (i) substantially all of the assets of the successor or surviving entity (the “Survivor”), other than Partnership Units held by the General Partner, are contributed, directly or indirectly, to the Partnership as a Capital Contribution in exchange for Partnership Units with a fair market value equal to the value of the assets so contributed as determined by the Survivor in good faith and (ii) the Survivor expressly agrees to assume all obligations of the General Partner, as appropriate, hereunder. Upon such contribution and assumption, the Survivor shall have the right and duty to amend this Agreement as set forth in this Section 7.1(d). The Survivor shall in good faith arrive at a new method for the calculation of the Cash Amount, the REIT Shares Amount and Conversion Factor for a Partnership Unit after any such merger or consolidation so as to approximate the existing method for such calculation as closely as reasonably possible. Such calculation shall take into account, among other things, the kind and amount of securities, cash and other property that was receivable upon such merger or consolidation by a holder of REIT Shares of each Class or options, warrants or other rights relating thereto, and which a holder of Partnership Units of any Class could have acquired had such Partnership Units been exchanged immediately prior to such merger or consolidation. Such amendment to this Agreement shall provide for adjustment to such method of calculation, which shall be as nearly equivalent as may be practicable to the adjustments provided for with respect to the Conversion Factor. The Survivor also shall in good faith modify the definition of REIT Shares and make such amendments to Sections 8.4 and 8.5 hereof so as to approximate the existing rights and obligations set forth in Sections 8.4 and 8.5 as closely as reasonably possible. The above provisions of this Section 7.1(d) shall similarly apply to successive mergers or consolidations permitted hereunder.

(e) Notwithstanding Section 7.1(c),

(i) a General Partner may transfer all or any portion of its General Partnership Interest to (A) a wholly-owned Subsidiary of such General Partner or (B) the owner of all of the ownership interests of such General Partner, and following a transfer of all of its General Partnership Interest, may withdraw as General Partner; and

(ii) the General Partner may engage in any transaction that is not required to be submitted to the vote of the holders of the REIT Shares by (A) law or (B) the rules of any national securities exchange on which one or more Classes of REIT Shares are Listed.

7.2 Admission of a Substitute or Additional General Partner A Person shall be admitted as a substitute or additional General Partner of the Partnership only if the following terms and conditions are satisfied:

(a) the Person to be admitted as a substitute or additional General Partner shall have accepted and agreed to be bound by all the terms and provisions of this Agreement by executing a counterpart thereof and such other documents or instruments as may be required or appropriate in order to effect the admission of such Person as a General Partner, and a certificate evidencing the admission of such Person as a General Partner shall have been filed for recordation and all other actions required by Section 2.5 hereof in connection with such admission shall have been performed;

(b) if the Person to be admitted as a substitute or additional General Partner is a corporation or a partnership it shall have provided the Partnership with evidence satisfactory to counsel for the Partnership of such Person's authority to become a General Partner and to be bound by the terms and provisions of this Agreement; and

(c) counsel for the Partnership shall have rendered an opinion (relying on such opinions from other counsel and the state or any other jurisdiction as may be necessary) that (x) the admission of the person to be admitted as a substitute or additional General Partner is in conformity with the Act and (y) none of the actions taken in connection with the admission of such Person as a substitute or additional General Partner will cause (i) the Partnership to be classified other than as a partnership for federal tax purposes, or (ii) the loss of any Limited Partner's limited liability.

7.3 Effect of Bankruptcy, Withdrawal, Death or Dissolution of a General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to the sole remaining General Partner (and its removal pursuant to Section 7.4(a) hereof) or the death, withdrawal, deemed removal or dissolution of the sole remaining General Partner (except that, if the sole remaining General Partner is on the date of such occurrence a partnership, the withdrawal, death, dissolution, Event of Bankruptcy as to, or removal of a partner in, such partnership shall be deemed not to be a dissolution of such General Partner if the business of such General Partner is continued by the remaining partner or partners), the Partnership shall be dissolved and terminated unless the Partnership is continued pursuant to Section 7.3(b) hereof. The merger of the General Partner with or into any entity that is admitted as a substitute or successor General Partner pursuant to Section 7.2 hereof shall not be deemed to be the withdrawal, dissolution or removal of the General Partner.

(b) Following the occurrence of an Event of Bankruptcy as to the sole remaining General Partner (and its removal pursuant to Section 7.4(a) hereof) or the death, withdrawal, removal or dissolution of the sole remaining General Partner (except that, if the sole remaining General Partner is, on the date of such occurrence, a partnership, the withdrawal of, death, dissolution, Event of Bankruptcy as to, or removal of a partner in, such partnership shall be deemed not to be a dissolution of such General Partner if the business of such General Partner is continued by the remaining partner or partners), the Limited Partners, within ninety (90) days after such occurrence, may elect to continue the business of the Partnership for the balance of the term specified in Section 2.4 hereof by selecting, subject to Section 7.2 hereof and any other provisions of this Agreement, a substitute General Partner by consent of a majority in interest of the Limited Partners. If the Limited Partners elect to continue the business of the Partnership and admit a substitute General Partner, the relationship with the Partners and of any Person who has acquired an interest of a Partner in the Partnership shall be governed by this Agreement.

7.4 Removal of a General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to, or the dissolution of, a General Partner, such General Partner shall be deemed to be removed automatically; provided, however, that if a General Partner is on the date of such occurrence a partnership, the withdrawal, death or dissolution of, Event of Bankruptcy as to, or removal of, a partner in, such partnership

shall be deemed not to be a dissolution of the General Partner if the business of such General Partner is continued by the remaining partner or partners. The Limited Partners may not remove the General Partner, with or without cause.

(b) If a General Partner has been removed pursuant to this Section 7.4 and the Partnership is continued pursuant to Section 7.3 hereof, such General Partner shall promptly transfer and assign its General Partnership Interest in the Partnership to the substitute General Partner approved by a majority in interest of the Limited Partners in accordance with Section 7.3(b) hereof and otherwise admitted to the Partnership in accordance with Section 7.2 hereof. At the time of assignment, the removed General Partner shall be entitled to receive from the substitute General Partner the fair market value of the General Partnership Interest of such removed General Partner as reduced by any damages caused to the Partnership by such General Partner. Such fair market value shall be determined by an appraiser mutually agreed upon by the General Partner and a majority in interest of the Limited Partners within ten (10) days following the removal of the General Partner. In the event that the parties are unable to agree upon an appraiser, the removed General Partner and a majority in interest of the Limited Partners each shall select an appraiser. Each such appraiser shall complete an appraisal of the fair market value of the removed General Partner's General Partnership Interest within thirty (30) days of the General Partner's removal, and the fair market value of the removed General Partner's General Partnership Interest shall be the average of the two appraisals; provided, however, that if the higher appraisal exceeds the lower appraisal by more than 20% of the amount of the lower appraisal, the two appraisers, no later than forty (40) days after the removal of the General Partner, shall select a third appraiser who shall complete an appraisal of the fair market value of the removed General Partner's General Partnership Interest no later than sixty (60) days after the removal of the General Partner. In such case, the fair market value of the removed General Partner's General Partnership Interest shall be the average of the two appraisals closest in value.

(c) The General Partnership Interest of a removed General Partner, until transfer under Section 7.4(b), shall be converted to that of a special Limited Partner; provided, however, such removed General Partner shall not have any rights to participate in the management and affairs of the Partnership, and shall not be entitled to any portion of the income, expense, profit, gain or loss allocations or cash distributions allocable or payable, as the case may be, to the Limited Partners. Instead, such removed General Partner shall receive and be entitled only to retain distributions or allocations of such items that it would have been entitled to receive in its capacity as General Partner, until the transfer is effective pursuant to Section 7.4(b).

(d) All Partners shall have given and hereby do give such consents, shall take such actions and shall execute such documents as shall be legally necessary, desirable and sufficient to effect all the foregoing provisions of this Section.

ARTICLE 8

RIGHTS AND OBLIGATIONS OF THE LIMITED PARTNERS

8.1 Management of the Partnership. The Limited Partners shall not participate in the management or control of Partnership business nor shall they transact any business for the

Partnership, nor shall they have the power to sign for or bind the Partnership, such powers being vested solely and exclusively in the General Partner.

8.2 Power of Attorney. Each Limited Partner hereby irrevocably appoints the General Partner its true and lawful attorney-in-fact, who may act for each Limited Partner and in its name, place and stead, and for its use and benefit, to sign, acknowledge, swear to, deliver, file or record, at the appropriate public offices, any and all documents, certificates, and instruments as may be deemed necessary or desirable by the General Partner to carry out fully the provisions of this Agreement and the Act in accordance with their terms, which power of attorney is coupled with an interest and shall survive the death, dissolution or legal incapacity of the Limited Partner, or the transfer by the Limited Partner of any part or all of its Partnership Interest.

8.3 Limitation on Liability of Limited Partners. No Limited Partner shall be liable for any debts, liabilities, contracts or obligations of the Partnership. A Limited Partner shall be liable to the Partnership only to make payments of its Capital Contribution, if any, as and when due hereunder. After its Capital Contribution is fully paid, no Limited Partner shall, except as otherwise required by the Act, be required to make any further Capital Contributions or other payments or lend any funds to the Partnership.

8.4 Redemption Right.

(a) Subject to Sections 8.4(b), 8.4(c), 8.4(d), 8.4(e), 8.4(f) and 8.5 hereof, the provisions of any agreements between the Partnership and one or more Limited Partners with respect to Partnership Units held by them, each Limited Partner, other than the General Partner (except as permitted below), shall, after holding its Partnership Units for at least one year (other than the Advisor and its Affiliates), have the right (subject to the terms and conditions set forth herein) to require the Partnership to redeem (a “Redemption”) all or a portion of the Partnership Units (other than Special OP Units), held by such Limited Partner (such Units, the “Tendered Units”), in exchange (a “Redemption Right”), alternatively, for either REIT Shares having the same Class designation as the Partnership Units subject to the Redemption Right or the Cash Amount, as determined by the General Partner in its sole discretion. The consideration payable in respect of Tendered Units shall be issued or paid, as the case may be, on the Specified Redemption Date. Any Redemption Right shall be exercised pursuant to a Notice of Redemption delivered to the Partnership (with a copy to the General Partner) by the Limited Partner exercising the Redemption Right (the “Tendering Party”). A Limited Partner may not exercise the Redemption Right for less than 1,000 Partnership Units or, if such Limited Partner holds less than 1,000 Partnership Units, all of the Partnership Units held by such Partner. The Tendering Party shall have no right, with respect to any Partnership Units so redeemed, to receive any distribution paid with respect to Partnership Units if the record date for such distribution is on or after the Specified Redemption Date. Notwithstanding the foregoing, the General Partner will be entitled to have its Partnership Units redeemed for the Cash Amount (an “Asset Acquisition Redemption”), at any time and under the circumstances described in Section 5.6 hereof.

(b) If the General Partner elects to cause the Tendered Units to be exchanged for REIT Shares having the same Class designation as the Tendered Units rather than the Cash Amount, then the Partnership shall direct the General Partner to issue and deliver such REIT Shares to the

Tendering Party pursuant to the terms set forth in this Section 8.4(b), in which case, (i) the General Partner, acting as a distinct legal entity, shall assume directly the Partnership's redemption obligation with respect thereto and shall satisfy the Tendering Party's exercise of its Redemption Right, and (ii) such transaction shall be treated, for federal income tax purposes, as a transfer by the Tendering Party of such Tendered Units to the General Partner in exchange for REIT Shares. The percentage of the Tendered Units which are to be so exchanged for REIT Shares (rather than the Cash Amount) is referred to as the "Applicable Percentage." In making such election to exchange Tendered Units for cash or REIT Shares, the General Partner shall act in a fair, equitable and reasonable manner that neither prefers one group or class of Limited Partners over another nor discriminates against a group or class of Limited Partners. If the General Partner determines to redeem any Tendered Units for REIT Shares, rather than the Cash Amount, on the Specified Redemption Date, the Tendering Party shall sell such number of the Tendered Units to the General Partner in exchange for a number of REIT Shares having the same Class designation as the Tendered Units equal to the product of the REIT Shares Amount and the Applicable Percentage. Such amount of REIT Shares having the same Class designation as the Tendered Units shall be delivered by the General Partner as duly authorized, validly issued, fully paid and nonassessable REIT Shares, free of any pledge, lien, encumbrance or restriction, other than the Ownership Limit (as calculated in accordance with the Charter) and other restrictions provided in the Articles of Incorporation, the bylaws of the General Partner, the Securities Act and relevant state securities or "blue sky" laws. Notwithstanding the provisions of Section 8.4(a) and this Section 8.4(b), the Tendering Parties shall have no rights under this Agreement that would otherwise be prohibited under the Charter.

(c) In connection with an exercise of Redemption Rights pursuant to this Section 8.4, the Tendering Party shall submit the following to the General Partner, in addition to the Notice of Redemption:

(i) A written affidavit, dated the same date as the Notice of Redemption, (a) disclosing the actual and constructive ownership, as determined for purposes of Code Sections 856(a)(6) and 856(h), of REIT Shares by (i) such Tendering Party and (ii) any Related Party and (b) representing that, after giving effect to the Redemption, neither the Tendering Party nor any Related Party will own REIT Shares in excess of the Ownership Limit (or, if applicable the Excepted Holder Limit);

(ii) A written representation that neither the Tendering Party nor any Related Party has any intention to acquire any additional REIT Shares prior to the closing of the Redemption on the Specified Redemption Date; and

(iii) An undertaking to certify, at and as a condition to the closing of the Redemption on the Specified Redemption Date, that either (a) the actual and constructive ownership of REIT Shares by the Tendering Party and any Related Party remain unchanged from that disclosed in the affidavit required by Section 8.4(c)(i) or (b) after giving effect to the Redemption, neither the Tendering Party nor any Related Party shall own REIT Shares in violation of the Ownership Limit (or, if applicable, the Excepted Holder Limit).

(iv) Any other documents as the General Partner may reasonably require in connection with the issuance of REIT Shares upon the exercise of the Redemption Right.

(d) Any Cash Amount to be paid to a Tendering Party pursuant to this Section 8.4 shall be paid on the Specified Redemption Date; provided, however, that the General Partner may elect to cause the Specified Redemption Date to be delayed for up to an additional 180 days to the extent required for the General Partner to provide financing to be used to make such payment of the Cash Amount, by causing the issuance of additional REIT Shares or otherwise. Notwithstanding the foregoing, the General Partner agrees to use its commercially reasonable efforts to cause the closing of the acquisition of Tendered Units hereunder to occur as quickly as reasonably possible.

(e) Notwithstanding any other provision of this Agreement, the General Partner shall place appropriate restrictions on the ability of the Limited Partners to exercise their Redemption Rights to prevent, among other things, (i) any person from owning shares in excess of the Ownership Limit and the Excepted Holder Limit, (ii) the General Partner's common stock from being owned by less than 100 persons, (iii) the General Partner from being "closely held" within the meaning of Section 856(h) of the Code, (iv) violations or what would be likely to constitute a violation of any applicable federal or state securities law, (v) violations of any provision of the General Partner's Charter or Bylaws and (vi) as and if deemed necessary to ensure that the Partnership does not constitute a "publicly traded partnership" under Section 7704 of the Code. If and when the General Partner determines that imposing such restrictions is necessary, the General Partner shall give prompt written notice thereof (a "Restriction Notice") to each of the Limited Partners holding Partnership Units, which notice shall be accompanied by a copy of an opinion of counsel to the Partnership which states that, in the opinion of such counsel, restrictions are necessary in order to avoid having the Partnership be treated as a "publicly traded partnership" under Section 7704 of the Code.

(f) A redemption fee may be charged in connection with an exercise of Redemption Rights pursuant to this Section 8.4.

8.5 Redemption or Conversion of Special OP Units and Partnership Units owned by the Advisor or its Affiliates.

(a) Termination Events. In connection with: (i) a Listing, (ii) a merger, consolidation or sale of substantially all of the Partnership's assets, a purchase, tender or exchange offer accepted by the holders of more than 50% of the outstanding REIT Shares, or any similar transaction, (iii) any transaction pursuant to which a majority of the Directors then in office are replaced or removed which is not otherwise described in (ii) above, or (iv) the termination or nonrenewal of the Advisory Agreement for any reason other than by the Advisor and other than in connection with (i), (ii) or (iii) above (the events described in (i) through (iv) are hereinafter referred to individually as a "Termination Event" and collectively as the "Termination Events"), then at the election of the Special OP Unitholder, and as further provided in Section 8.5(b) below, such holder may (1) exchange its Special OP Units for Class A Units, (2) exchange its Special OP Units for Class A Units and immediately thereafter redeem its Class A Units received in such exchange pursuant to Section 8.5(b) hereof, or (3) retain its Special OP Units.

(b) Special OP Unit Exchange; Redemption of Partnership Units of the Special OP Unitholder, the Advisor or its Affiliates; Entitlement to Distributions.

(i) If the Special OP Unitholder elects to exchange its Special OP Units for Class A Units in connection with a Termination Event, then the Special OP Units shall be exchanged for a number of Class A Units (the “Special OP Unit Value”) equal in value to the aggregate amount of distributions that would have been made with respect to the Special OP Units under Section 5.2(b)(ii) if all assets (subject to their liabilities) of the Partnership were sold for their fair market value, as determined in good faith by the Directors of the General Partner in office prior to the Termination Event and in the manner set forth below, any remaining liabilities of the Partnership were satisfied in full in cash according to their terms and assuming for these purposes that all such remaining liabilities had matured, and Net Sales Proceeds (after satisfaction of such liabilities) were distributed in full pursuant to Section 5.2(b). The Special OP Unit Value shall be determined (1) in connection with a Termination Event described in Section 8.5(a)(i) above, by reference to the market value of the Class A REIT Shares based upon the average closing price, or average of bid and asked prices (if closing prices are not available) during a period of thirty (30) days during which such shares are traded beginning 90 days after the Listing; (2) in connection with a Termination Event described in Section 8.5(a)(ii) above, by reference to the value of the consideration received or to be received by the holders of Class A REIT Shares and the implied value of the assets and liabilities of the General Partner and the Partnership as a result thereof, or (3) in connection with a Termination Event described in Sections 8.5(a)(iii) or 8.5(a)(iv) above, by reference to the fair market value of the assets and liabilities of the General Partner and the Partnership as determined by an independent third party mutually agreed to by the Partnership on the one hand and the holder of the applicable Special OP Units on the other. The valuation mechanisms referred to in the immediately preceding clauses (1) through (3) are hereinafter referred to as the “Valuation Mechanisms”. If multiple Termination Events are triggered in connection with a series of related events, the Special OP Unitholder, in its sole discretion, may determine which Valuation Mechanism should be used to value the Class A Units and determine the Special OP Unit Value. In the case of any Termination Event other than a Listing, the exchange of the Special OP Units for Class A Units shall occur simultaneously with the occurrence or consummation of such Termination Event or as soon as is reasonably practicable thereafter, and in the case of a Listing, the exchange of the Special OP Units for Class A Units shall occur within 125 days after the Listing shall have occurred.

(ii) If the Special OP Unitholder elects to receive Class A Units in exchange for its Special OP Units in connection with the Termination Event but not to have such Class A Units redeemed, then such Class A Units shall thereafter be subject to all of the applicable provisions of this Agreement, including Section 8.5(d) hereof. If the Special OP Unitholder elects to immediately redeem its Class A Units, then the Special OP Unitholder shall receive, at its option, upon redemption of such Partnership Units, cash (or in the case of a Termination Event described in Section 8.5(a)(iv) hereof, a non-interest bearing promissory note) or Class A REIT Shares with an aggregate value equal to the Special OP Unit Value as determined under subsection (i) of this Section 8.5(b). Notwithstanding anything to the contrary above, in the case of any Termination Event described in Section 8.5(a)(iv) hereof, the holder may elect to receive, at its option, upon redemption of such Class A Units, a non-interest bearing promissory note or Class A REIT Shares. If the holder elects payment in the form of a non-interest bearing promissory note, such non-interest bearing promissory note shall be payable in 12 equal quarterly installments, provided, however, that no payment will be made in any quarter in which such payment would impair the General

Partner's capital or jeopardize the General Partner's REIT status, in which case any such payment or payments shall be delayed until the next quarter in which payment would not impair the General Partner's capital or jeopardize the General Partner's REIT status.

(iii) Notwithstanding anything to the contrary contained in Section 8.4 hereof, if in connection with a Termination Event the Advisor and any of its Affiliates hold Class A Units that were not received in connection with such Termination Event, such holder or holders may elect, in the holder's sole discretion, to have such Class A Units valued in the manner set forth in Section 8.5(b)(i) and, using the applicable Valuation Mechanism, redeemed for the resulting amount of consideration. Such consideration shall be payable in the same form and at the same time that any consideration that would be payable upon a redemption described in subparagraph (i) or (ii) of this Section 8.5(b) would be due.

(iv) In connection with a Termination Event, the Special OP Unitholder may elect not to have the Special OP Units exchanged for Class A Units. In such event, the Special OP Unitholder shall receive a cash distribution or a non-interest bearing promissory note equal to the aggregate amount that the Special OP Unitholder would have been entitled to receive under subparagraph (ii) of this Section 8.5(b) above if the Special OP Unitholder had elected to exchange the Special OP Units into Class A Units which were thereafter immediately redeemed; provided, however that the Special OP Units shall not, under such circumstances, be exchanged for Class A Units and shall instead remain outstanding and subject to all of the applicable provisions of this Agreement.

(v) If Class A REIT Shares are to be issued in connection with the redemption of Class A Units pursuant to this Section 8.5(b), then the General Partner shall issue such Class A REIT Shares in accordance herewith and the exchange of Class A Units shall be treated in accordance with Section 8.4(b) as if the Class A Units were Tendered Units. All cash payments required to be made pursuant to this Section 8.5 shall be made by wire transfer of immediately available funds to an account designated by the recipient of such payment.

(c) Limitation on Exchange and Redemption. Notwithstanding anything herein to the contrary, no exchange or redemption pursuant to Section 8.5(b) shall be permitted unless and until OP Unitholders have received (or are deemed to have received pursuant to the deemed valuations set forth in such sections) aggregate, cumulative distributions from the Partnership to OP Unitholders for all years from operating income, sales proceeds and other sources in an amount equal to (i) the sum of the aggregate capital contributions to the Partnership by the OP Unitholders for all years plus (ii) an 6.0% cumulative non-compounded annual pre-tax return on the amount described in the immediately preceding subclause (i).

(d) Redemption of Partnership Units Following a Termination Event. If the Advisor or any of its Affiliates retains any of their Class A Units following a Termination Event, the Advisor and its Affiliates shall have the right to redeem such Partnership Units pursuant to all of the terms and conditions of Section 8.4 hereof; provided, however, that the holder of such Class A Units and not the General Partner shall be entitled to elect cash or Class A REIT Shares.

ARTICLE 9

TRANSFERS OF LIMITED PARTNERSHIP INTERESTS

9.1 Purchase for Investment.

(a) Each Limited Partner hereby represents and warrants to the General Partner and to the Partnership that the acquisition of his Partnership Interest is made as a principal for his account for investment purposes only and not with a view to the resale or distribution of such Partnership Interest.

(b) Each Limited Partner agrees that he will not sell, assign or otherwise transfer his Partnership Interest or any fraction thereof, whether voluntarily or by operation of law or at judicial sale or otherwise, to any Person who does not make the representations and warranties to the General Partner set forth in Section 9.1(a) above and similarly agree not to sell, assign or transfer such Partnership Interest or fraction thereof to any Person who does not similarly represent, warrant and agree.

9.2 Restrictions on Transfer of Limited Partnership Interests.

(a) Subject to the provisions of Section 9.2(b) and 9.2(c), no Limited Partner may offer, sell, assign, hypothecate, pledge or otherwise transfer all or any portion of his Limited Partnership Interest, or any of such Limited Partner's economic rights as a Limited Partner, whether voluntarily or by operation of law or at judicial sale or otherwise (collectively, a "Transfer") without the prior consent of the General Partner, which consent may be granted or withheld in its sole and absolute discretion. Any such purported transfer undertaken without such consent shall be considered to be null and void ab initio and shall not be given effect. The General Partner may require, as a condition of any Transfer to which it consents, that the transferor assume all costs incurred by the Partnership in connection therewith.

(b) No Limited Partner may withdraw from the Partnership other than: (i) as a result of a permitted Transfer (i.e., a Transfer consented to as contemplated by clause (a) above or clause (c) below or a Transfer pursuant to Section 9.5 below) of all of its Partnership Interest pursuant to this Article 9, (ii) pursuant to a redemption of all of its Partnership Units pursuant to Section 8.4 or (iii) pursuant to the redemption of the Limited Partner's Special OP Units and Partnership Units pursuant to Section 8.5. Upon the permitted Transfer or redemption of all of a Limited Partner's Partnership Units and Special OP Units, if any, such Limited Partner shall cease to be a Limited Partner.

(c) Notwithstanding Section 9.2(a) and subject to Sections 9.2(d), 9.2(e) and 9.2(f) below, a Limited Partner may not Transfer, without the prior consent of the General Partner, which consent will not be unreasonably withheld, all or a portion of its Partnership Interest to (i) a parent or parent's spouse, natural or adopted descendant or descendants, spouse of such descendant, or brother or sister, or a trust created by such Limited Partner for the benefit of such Limited Partner and/or any such person(s), of which trust such Limited Partner or any such person(s) is a trustee,

(ii) a corporation controlled by a Person or Persons named in (i) above, or (iii) if the Limited Partner is an entity, its beneficial owners.

(d) No Limited Partner may effect a Transfer of its Limited Partnership Interest, in whole or in part, if, in the opinion of legal counsel for the Partnership, such proposed Transfer would require the registration of the Limited Partnership Interest under the Securities Act or would otherwise violate any applicable federal or state securities or blue sky law (including investment suitability standards).

(e) No Transfer by a Limited Partner of its Partnership Interest, in whole or in part, may be made to any Person if (i) in the opinion of legal counsel for the Partnership, the transfer would result in the Partnership's being treated as an association taxable as a corporation (other than a qualified REIT subsidiary within the meaning of Section 856(i) of the Code), (ii) in the opinion of legal counsel for the Partnership, it would adversely affect the ability of the General Partner to continue to qualify as a REIT or subject the General Partner to any additional taxes under Section 857 or Section 4981 of the Code, or (iii) such transfer is effectuated through an "established securities market" or a "secondary market (or the substantial equivalent thereof)" within the meaning of Section 7704 of the Code.

(f) No Transfer by a Limited Partner of any Partnership Interest may be made to a lender to the Partnership or any Person who is related (within the meaning of Regulations Section 1.752-4(b)) to any lender to the Partnership whose loan constitutes a nonrecourse liability (within the meaning of Regulations Section 1.752-1(a)(2)), without the consent of the General Partner, which may be withheld in its sole and absolute discretion, provided that as a condition to such consent the lender will be required to enter into an arrangement with the Partnership and the General Partner to exchange or redeem for the Cash Amount any Partnership Units in which a security interest is held simultaneously with the time at which such lender would be deemed to be a Partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code.

(g) Any Transfer in contravention of any of the provisions of this Article 9 shall be void and ineffectual and shall not be binding upon, or recognized by, the Partnership.

(h) Prior to the consummation of any Transfer under this Article 9, the transferor and/or the transferee shall deliver to the General Partner such opinions, certificates and other documents as the General Partner shall request in connection with such Transfer.

9.3 Admission of Substitute Limited Partner.

(a) Subject to the other provisions of this Article 9, an assignee of the Limited Partnership Interest of a Limited Partner (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Limited Partnership Interest) shall be deemed admitted as a Limited Partner of the Partnership only with the consent of the General Partner, which consent may be granted or withheld in its sole and absolute discretion, and upon the satisfactory completion of the following:

(i) The assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart or an amendment thereof, including a revised Exhibit A, and such other documents or instruments as the General Partner may require in order to effect the admission of such Person as a Limited Partner.

(ii) To the extent required, an amended Certificate evidencing the admission of such Person as a Limited Partner shall have been signed, acknowledged and filed for record in accordance with the Act.

(iii) The assignee shall have delivered a letter containing the representation set forth in Section 9.1(a) hereof and the agreement set forth in Section 9.1(b) hereof.

(iv) If the assignee is a corporation, partnership or trust, the assignee shall have provided the General Partner with evidence satisfactory to counsel for the Partnership of the assignee's authority to become a Limited Partner under the terms and provisions of this Agreement.

(v) The assignee shall have executed a power of attorney containing the terms and provisions set forth in Section 8.2 hereof.

(vi) The assignee shall have paid all legal fees and other expenses of the Partnership and the General Partner and filing and publication costs in connection with its substitution as a Limited Partner.

(vii) The assignee has obtained the prior written consent of the General Partner to its admission as a Substitute Limited Partner, which consent may be given or denied in the exercise of the General Partner's sole and absolute discretion.

(b) For the purpose of allocating profits and losses and distributing cash received by the Partnership, a Substitute Limited Partner shall be treated as having become, and appearing in the records of the Partnership as, a Partner upon the filing of the Certificate described in Section 9.3 (a)(ii) hereof or, if no such filing is required, the later of the date specified in the transfer documents or the date on which the General Partner has received all necessary instruments of transfer and substitution.

(c) The General Partner shall cooperate with the Person seeking to become a Substitute Limited Partner by preparing the documentation required by this Section and making all official filings and publications. The Partnership shall take all such action as promptly as practicable after the satisfaction of the conditions in this Article 9 to the admission of such Person as a Limited Partner of the Partnership.

9.4 Rights of Assignees of Partnership Interests.

(a) Subject to the provisions of Sections 9.1 and 9.2 hereof, except as required by operation of law, the Partnership shall not be obligated for any purposes whatsoever to recognize the assignment by any Limited Partner of its Partnership Interest until the Partnership has received notice thereof.

(b) Any Person who is the assignee of all or any portion of a Limited Partner's Limited Partnership Interest, but does not become a Substitute Limited Partner and desires to make a further assignment of such Limited Partnership Interest, shall be subject to all the provisions of this Article 9 to the same extent and in the same manner as any Limited Partner desiring to make an assignment of its Limited Partnership Interest.

9.5 Effect of Bankruptcy, Death, Incompetence or Termination of a Limited Partner. The occurrence of an Event of Bankruptcy as to a Limited Partner, the death of a Limited Partner or a final adjudication that a Limited Partner is incompetent (which term shall include, but not be limited to, insanity) shall not cause the termination or dissolution of the Partnership, and the business of the Partnership shall continue if an order for relief in a bankruptcy proceeding is entered against a Limited Partner, the trustee or receiver of his estate or, if he dies, his executor, administrator or trustee, or, if he is finally adjudicated incompetent, his committee, guardian or conservator, shall have the rights of such Limited Partner for the purpose of settling or managing his estate property and such power as the bankrupt, deceased or incompetent Limited Partner possessed to assign all or any part of his Partnership Interest and to join with the assignee in satisfying conditions precedent to the admission of the assignee as a Substitute Limited Partner.

9.6 Joint Ownership of Interests. A Partnership Interest may be acquired by two individuals as joint tenants with right of survivorship, provided that such individuals either are married or are related and share the same home as tenants in common. The written consent or vote of both owners of any such jointly held Partnership Interest shall be required to constitute the action of the owners of such Partnership Interest; provided, however, that the written consent of only one joint owner will be required if the Partnership has been provided with evidence satisfactory to the counsel for the Partnership that the actions of a single joint owner can bind both owners under the applicable laws of the state of residence of such joint owners. Upon the death of one owner of a Partnership Interest held in a joint tenancy with a right of survivorship, the Partnership Interest shall become owned solely by the survivor as a Limited Partner and not as an assignee. The Partnership need not recognize the death of one of the owners of a jointly-held Partnership Interest until it shall have received notice of such death. Upon notice to the General Partner from either owner, the General Partner shall cause the Partnership Interest to be divided into two equal Partnership Interests, which shall thereafter be owned separately by each of the former owners.

ARTICLE 10

BOOKS AND RECORDS; ACCOUNTING; TAX MATTERS

10.1 Books and Records. At all times during the continuance of the Partnership, the Partners shall keep or cause to be kept at the Partnership's specified office true and complete books of account in accordance with generally accepted accounting principles, including: (a) a current list of the full name and last known business address of each Partner, (b) a copy of the Certificate of Limited Partnership and all Certificates of amendment thereto, (c) copies of the Partnership's federal, state and local income tax returns and reports, (d) copies of this Agreement and amendments thereto and any financial statements of the Partnership for the three most recent years and (e) all documents and information required under the Act. Any Partner or its duly authorized representative,

upon paying the costs of collection, duplication and mailing, shall be entitled to inspect or copy such records during ordinary business hours.

10.2 Custody of Partnership Funds; Bank Accounts.

(a) All funds of the Partnership not otherwise invested shall be deposited in one or more accounts maintained in such banking or brokerage institutions as the General Partner shall determine, and withdrawals shall be made only on such signature or signatures as the General Partner may, from time to time, determine

(b) All deposits and other funds not needed in the operation of the business of the Partnership may be invested by the General Partner in investment grade instruments (or investment companies whose portfolio consists primarily thereof), government obligations, certificates of deposit, bankers' acceptances and municipal notes and bonds. The funds of the Partnership shall not be commingled with the funds of any other Person except for such commingling as may necessarily result from an investment in those investment companies permitted by this Section 10.2(b).

10.3 Fiscal and Taxable Year. The fiscal and taxable year of the Partnership shall be the calendar year.

10.4 Annual Tax Information and Report. Within seventy-five (75) days after the end of each fiscal year of the Partnership, the General Partner shall furnish to each person who was a Limited Partner at any time during such year the tax information necessary to file such Limited Partner's individual tax returns as shall be reasonably required by law.

10.5 Tax Matters Partner; Tax Elections; Special Basis Adjustments.

(a) The General Partner shall be the Tax Matters Partner of the Partnership within the meaning of Section 6231(a)(7) of the Code. As Tax Matters Partner, the General Partner shall have the right and obligation to take all actions authorized and required, respectively, by the Code for the Tax Matters Partner. The General Partner shall have the right to retain professional assistance in respect of any audit of the Partnership by the Service and all out-of-pocket expenses and fees incurred by the General Partner on behalf of the Partnership as Tax Matters Partner shall constitute Partnership expenses. In the event the General Partner receives notice of a final Partnership adjustment under Section 6223(a)(2) of the Code, the General Partner shall either (i) file a court petition for judicial review of such final adjustment within the period provided under Section 6226 (a) of the Code, a copy of which petition shall be mailed to all Limited Partners on the date such petition is filed, or (ii) mail a written notice to all Limited Partners, within such period, that describes the General Partner's reasons for determining not to file such a petition.

(b) All elections required or permitted to be made by the Partnership under the Code or any applicable state or local tax law shall be made by the General Partner in its sole and absolute discretion.

(c) In the event of a transfer of all or any part of the Partnership Interest of any Partner, the Partnership, at the option of the General Partner, may elect pursuant to Section 754 of the Code to adjust the basis of the Partnership's assets. Notwithstanding anything contained in Article 5 of this Agreement, any adjustments made pursuant to Section 754 of the Code shall affect only the successor in interest to the transferring Partner and in no event shall be taken into account in establishing, maintaining or computing Capital Accounts for the other Partners for any purpose under this Agreement. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

10.6 Reports to Limited Partners.

(a) As soon as practicable after the close of each fiscal quarter (other than the last quarter of the fiscal year), the General Partner shall cause to be mailed to each Limited Partner a quarterly report containing financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such fiscal quarter, presented in accordance with generally accepted accounting principles. As soon as practicable after the close of each fiscal year, the General Partner shall cause to be mailed to each Limited Partner an annual report containing financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such fiscal year, presented in accordance with generally accepted accounting principles. The annual financial statements shall be audited by accountants selected by the General Partner.

(b) Any Partner shall further have the right to a private audit of the books and records of the Partnership at the expense of such Partner, provided such audit is made for Partnership purposes and is made during normal business hours.

10.7 Safe Harbor Election. The Partners agree that, in the event the Safe Harbor Regulation is finalized, the Partnership shall be authorized and directed to make the Safe Harbor Election and the Partnership and each Partner (including any person to whom an interest in the Partnership is transferred in connection with the performance of services) agrees to comply with all requirements of the Safe Harbor with respect to all interests in the Partnership transferred in connection with the performance of services while the Safe Harbor Election remains effective. The Tax Matters Partner shall be authorized to (and shall) prepare, execute, and file the Safe Harbor Election.

ARTICLE 11

AMENDMENT OF AGREEMENT; MERGER

The General Partner's consent shall be required for any amendment to this Agreement. The General Partner, without the consent of the Limited Partners, may amend this Agreement in any respect or merge or consolidate the Partnership with or into any other partnership or business entity (as defined in Section 17-211 of the Act) in a transaction pursuant to Section 7.1(c)(ii) or 7.1(c)(iii), 7.1(d) or 7.1(e) hereof; provided, however, that the following amendments and any other merger or consolidation of the Partnership shall require the consent of Limited Partners holding more than 67% of the Percentage Interests of the Limited Partners and the Special OP Unitholder:

(a) any amendment affecting the operation of the Conversion Factor or the Redemption Right (except as provided in Section 7.4(d) or 7.1(d) hereof) in a manner adverse to the Limited Partners;

(b) any amendment that would adversely affect the rights of the Limited Partners to receive the distributions payable to them hereunder, other than with respect to the issuance of additional Partnership Units pursuant to Section 4.2 hereof; or

(c) any amendment that would alter the Partnership's allocations of profit and loss to the Limited Partners, other than with respect to the issuance of additional Partnership Units pursuant to Section 4.2 hereof; and any amendment that would impose on any Limited Partner any obligation to make additional Capital Contributions to the Partnership or otherwise alter such Limited Partner's right to receive distributions of cash or other property or allocations of items of income, gain, deduction loss or credit shall require the written consent of both the General Partner and any such Limited Partner. In addition, any amendment to Section 8.5 shall require the consent of the Special OP Unitholder, and any amendment to this Article 11 shall require the written consent of all Partners.

ARTICLE 12

Share Redemption Program Applicable to Class A Shares and Class T Shares

Our shares are currently not listed on a national securities exchange, and we do not know whether they will ever be listed. In order to provide holders of our Class A Shares and Class T Shares with some liquidity, we have adopted this share redemption program. As described below, we cannot guarantee that our share redemption program will be available indefinitely. Stockholders who have purchased shares from us or received their shares through a non-cash transaction, not in the secondary market, may receive the benefit of limited liquidity by presenting for repurchase to us all or a portion of those shares, in accordance with the procedures outlined herein and subject to the limitations and restrictions of the program described below. There is no fee payable to our Advisor, our Sponsor, our board of directors or any other party in connection with the repurchase of shares pursuant to our share redemption program.

After you have held your Class A Shares and/or Class T Shares for a minimum of one year, subject to the limitations of the program and the special pricing applicable to redemptions in connection with the death or disability of a stockholder, shares redeemed under this program will be redeemed at a price equal to the NAV per share applicable to the class of shares being redeemed and most recently disclosed by us in a public filing with the SEC. In the event a stockholder is having all his shares redeemed, we may waive the one-year holding requirement for shares purchased under our distribution reinvestment plan and for shares issued pursuant to stock dividends. In addition, we may waive the one-year holding requirement in the event of a stockholder’s bankruptcy. In the event of the death or disability of the holder, upon request, we will waive the one-year holding requirement. Except as noted below, shares that are redeemed in connection with the death or disability of a stockholder will be redeemed at a price equal to the

price paid to acquire such shares from us; provided, that, the redemption price cannot exceed the then-current offering price and, as described below, the redemption price will be reduced as necessary to be equal to then-current offering price for such class of shares being redeemed.

During the period of any public offering, the redemption price will be equal to or less than the price of the shares of such class offered in the relevant offering. If we are engaged in a public offering and the redemption price calculated in accordance with the guidelines set forth above would result in a price that is higher than the then-current public offering price of such class of common shares, including the redemption price for death and disability redemptions, then the redemption price will be reduced and will be equal to the then-current public offering price of such class of common shares being redeemed.

To the extent our board of directors determines that we have sufficient available cash for redemptions as described below, we initially intend to redeem shares on a monthly basis; however, our board of directors may determine from time to time to adjust the timing of redemptions or suspend or otherwise modify our share redemption program upon 30 days' notice. Subject to the limitations and restrictions on the program and to funds being available, the number of shares redeemed during any consecutive twelve month period will be limited to no more than 5% of the number of outstanding shares of common stock at the beginning of that twelve month period.

Unless our board of directors determines otherwise, the funds available for redemptions in each month will be limited to the funds received from the distribution reinvestment plan in the prior month. Our board of directors has complete discretion to determine whether all of such funds from the prior month's distribution reinvestment plan can be applied to redemptions in the following month, whether such funds are needed for other purposes or whether additional funds from other sources may be used for redemptions.

If you would like to request redemption of your shares, please contact us to receive required redemption forms and instructions concerning required signatures. Certain broker dealers require that their clients make redemption requests through their broker dealer, so please contact your broker dealer first if you want to request redemption of your shares. Stockholders may request that we redeem all or any portion of their shares as of the close of business on the last calendar day of each full calendar month, or the "Redemption Date." To have their shares redeemed, stockholders' redemption requests and required documentation must be received by us in good order by 4:00 p.m. Eastern time on the second to last business day of the applicable month. If a redemption request is received after such time, the redemption order will be executed on the next month's Redemption Date at the NAV per share applicable to that quarter (subject to the special pricing applicable to redemptions in connection with the death or disability of a stockholder described above), unless such request is withdrawn prior to that Redemption Date. Stockholders will generally have at least 20 business days (from the last business day of the previous month to the second to last business day of the applicable month) during which to decide whether to request redemption of their shares as of the end of the current month. Stockholders may withdraw their redemption requests before they have been processed by notifying a customer service representative available on our toll-free information line at (888) 220-6121 before 4:00 p.m. Eastern time on the second to last business day of the applicable

month. Settlements of share redemptions will be made within three business days after the Redemption Date. If you submit a request for redemption and are also a participant in our distribution reinvestment plan, your participation in our distribution reinvestment plan will terminate upon our receipt of your redemption request.

Any new NAV will be disclosed within 45 days after the date as of which it is determined and commencing with the quarter after the first quarter in which we sell a Class I Share in our public offering, NAV calculations will be made on a quarterly basis. The redemption price will be made available for a period of at least 10 business days ending on or before the second to last business day of each month and, as a result, all stockholders will have at least a ten business day period to consider the redemption price before the deadline to submit or withdraw a redemption request (the first day of the ten business day period is the day the redemption price is made available and the tenth business day of the period is the deadline to submit or withdraw a redemption request (the second to last business day of the month)). The NAV per share will be posted on the Company's website (www.HinesSecurities.com/reits/hines-global-reit-2) promptly after it has become available and will also be available through our toll-free information line at (888) 220-6121. Under normal circumstances, we expect to fulfill redemption requests, subject to the limitations described above.

We may redeem fewer Class A Shares and Class T Shares than have been requested to be redeemed in any particular month, or none at all, in the discretion of our board of directors, including due to the lack of readily available funds because of market conditions, the need to maintain liquidity for operations or because our board of directors has determined that investing in real property or other illiquid investments is a better use of our capital than redeeming our shares. In the event that we determine to redeem some but not all of the Class A Shares and Class T Shares submitted for redemption during any month for any of the foregoing reasons, shares submitted for redemption during such month will be redeemed on a pro rata basis. The portion of any unfulfilled redemption requests due to any of the limitations described above must be resubmitted after the start of the next month, or upon the recommencement of the redemption program, as applicable. Any determination to redeem fewer shares than have been requested to be redeemed may be made immediately prior to the applicable Redemption Date, and will be disclosed subsequently to prospective investors and stockholders in periodic prospectus supplements and/or reports filed by us, or more frequently as required by applicable securities laws.

Our board of directors may modify or suspend the share redemption program applicable to Class A Shares and Class T Shares at any time upon 30 days' written notice without stockholder approval if our directors believe such action is in the best interests of our stockholders. For example, if redemption requests, in the business judgment of the board of directors, place an undue burden on our liquidity, adversely affect our operations or risk having an adverse impact on stockholders whose shares are not redeemed, then our board of directors may modify or suspend the share redemption program if it deems such action to be in the best interest of our stockholders. In addition, our board of directors may determine to suspend the share redemption program due to regulatory changes, changes in law or if our board of directors

becomes aware of undisclosed material information that it believes should be publicly disclosed before shares are redeemed. Stockholders will be notified of material modifications to or suspensions of the program in a prospectus supplement (or post-effective amendment if required by the Securities Act) or current or periodic report. Any material modifications also will be disclosed on our website.

You will not relinquish your shares until we redeem them. The shares we redeem under our share redemption program will be cancelled and will have the status of authorized but unissued shares. We will not resell such shares to the public unless such sales are first registered with the SEC under the Securities Act and under appropriate state securities laws or are exempt under such laws. We will terminate our share redemption program in the event that our shares ever become listed on a national securities exchange or in the event a secondary market for our common shares develops.

Any NAV per share approved by our board of directors in the future may be higher or lower than the most recently disclosed NAV per share, which would cause the redemption price under our share redemption program to increase or decrease accordingly. The NAV per share is not a representation, warranty or guarantee that (i) a stockholder would be able to realize such per share amount if such stockholder attempts to sell his or her shares; (ii) a stockholder would ultimately realize distributions per share equal to such per share amount upon our liquidation or sale; (iii) shares of our common stock would trade at such per share amount on a national securities exchange; or (iv) a third party would offer such per share amount in an arm's-length transaction to purchase all or substantially all of our shares of common stock.

Share Redemption Program Applicable to Class I Shares and Class J Shares

Our shares are currently not listed on a national securities exchange, and we do not know whether they will ever be listed. In order to provide holders of our Class I Shares and Class J Shares with some liquidity, we have adopted this share redemption program. As described below, we cannot guarantee that our share redemption program will be available indefinitely. Stockholders who have purchased shares from us or received their shares through a non-cash transaction, not in the secondary market, may receive the benefit of limited liquidity by presenting for repurchase to us all or a portion of those shares, in accordance with the procedures outlined herein and subject to the limitations and restrictions of the program described below. There is no fee payable to our Advisor, our Sponsor, our board of directors or any other party in connection with the repurchase of shares pursuant to our share redemption program.

Subject to the limitations of and restrictions on the program, and subject to funds being available as described below, shares redeemed under this share redemption program will be redeemed at a price equal to the NAV per share applicable to the class of shares being redeemed and most recently disclosed by us in a public filing with the SEC. Under this share redemption program, we may redeem during any calendar month Class I Shares and Class J Shares whose aggregate value (based on the redemption price per share in effect when the redemption is effected) is 2% of the aggregate NAV of such classes of shares as of the last calendar day of the previous month and during any calendar quarter whose aggregate value (based on the redemption price per share in effect when the redemption is effected) is up to 5% of NAV of such classes of shares as of the last calendar day of the prior calendar quarter. During a given quarter, if in each

of the first two months of such quarter the 2% redemption limit is reached and stockholders' redemptions are reduced pro rata for such months, then in the third and final month of that quarter, the applicable limit for such month will likely be less than 2% of the NAV applicable to all such shares as of the last calendar day of the previous month because the redemptions for that month, combined with the redemptions in the previous two months, cannot exceed 5% of the NAV of such classes of shares as of the last calendar day of the prior calendar quarter.

There is no minimum holding period for Class I Shares and Class J Shares and you can request that we redeem your Class I Shares and Class J Shares at any time. However, Class I Shares and/or Class J Shares that have not been outstanding for at least one year will be redeemed at 95% of the redemption price that would otherwise apply, which we refer to as the "short-term holding discount;" provided, that, the period that a Class I Share was held prior to being converted into a Class J Share will count toward the total hold period for a Class J Share. Upon request, we may waive the short-term holding discount in the case of the death or disability of a stockholder. The discount also will be waived with respect to shares issued pursuant to our distribution reinvestment plan and any shares that we issue as stock dividends.

Unless our board of directors determines otherwise, we intend to fund redemptions pursuant to our share redemption program applicable to Class I Shares and Class J Shares from any available cash sources at our disposal, including available cash, cash flow from operations, the sale of real estate-related securities and other assets, borrowings or offering proceeds, without any limitation on the amounts we may pay from such sources. Our board of directors has complete discretion to determine whether all of such funds will be applied to redemptions pursuant to the program, whether such funds are needed for other purposes or whether additional funds from other sources may be used for redemptions pursuant to the program.

If you would like to request redemption of your shares, please contact us to receive required redemption forms and instructions concerning required signatures. Certain broker dealers require that their clients make redemption requests through their broker dealer, so please contact your broker dealer first if you want to request redemption of your shares. Stockholders may request that we redeem all or any portion of their shares as of the close of business on the last calendar day of each full calendar month, or the "Redemption Date." To have their shares redeemed, stockholders' redemption requests and required documentation must be received by us in good order by 4:00 p.m. Eastern time on the second to last business day of the applicable month. If a redemption request is received after such time, the redemption order will be executed on the next month's Redemption Date at the NAV per share applicable to that quarter (subject to any short-term holding discount), unless such request is withdrawn prior to that Redemption Date. Stockholders will generally have at least 20 business days (from the last business day of the previous month to the second to last business day of the applicable month) during which to decide whether to request redemption of their shares as of the end of the current month. Stockholders may withdraw their redemption requests before they have been processed by notifying a customer service representative available on our toll-free information line at (888) 220-6121 before 4:00 p.m. Eastern time on the second to last business day of the applicable month. Settlements of share redemptions will be made within three business days after the Redemption Date.

Any new NAV will be disclosed within 45 days after the date as of which it is determined and commencing with the quarter after the first quarter in which we sell a Class I Share in our public offering, NAV calculations will be made on a quarterly basis. In certain circumstances a stockholder may make a redemption request for a particular Redemption Date before the NAV applicable to such Redemption Date is made available, however, the redemption price will be made available for a period of at least 10 business days ending on or before the second to last business day of each month and, as a result, all stockholders will have at least a ten business day period to consider the redemption price before the deadline to submit or withdraw a redemption request (the first day of the ten business day period is the day the redemption price is made available and the tenth business day of the period is the deadline to submit or withdraw a redemption request (the second to last business day of the month)). The NAV per share will be posted on the Company's website (www.HinesSecurities.com/reits/hines-global-reit-2) promptly after it has become available and will also be available through our toll-free information line at (888) 220-6121. Under normal circumstances, we expect to fulfill redemption requests, subject to the 2% monthly and 5% quarterly limitations.

We may redeem fewer Class I Shares and Class J Shares than have been requested to be redeemed in any particular month, or none at all, in our discretion, including due to the lack of readily available funds because of market conditions, the need to maintain liquidity for operations or because our board of directors has determined that investing in real property or other illiquid investments is a better use of our capital than redeeming our shares. In the event that we determine to redeem some but not all of the Class I Shares and Class J Shares submitted for redemption during any month for any of the foregoing reasons, shares submitted for redemption during such month will be redeemed on a pro rata basis. The portion of any unfulfilled redemption requests due to any of the limitations described above must be resubmitted after the start of the next month or quarter, or upon the recommencement of the redemption program, as applicable. Any determination to redeem fewer shares than have been requested to be redeemed may be made immediately prior to the applicable redemption date (the last calendar day of the month), and will be disclosed subsequently to prospective investors and stockholders in periodic prospectus supplements and/or reports filed by us, or more frequently as required by applicable securities laws.

If redemption requests, in the business judgment of the board of directors, place an undue burden on our liquidity, adversely affect our operations or risk having an adverse impact on stockholders whose shares are not redeemed, then our board of directors may modify or suspend the share redemption program if it deems such action to be in the best interest of our stockholders. In addition, our board of directors may determine to suspend the share redemption program due to regulatory changes, changes in law or if our board of directors becomes aware of undisclosed material information that it believes should be publicly disclosed before shares are redeemed. Material modifications, including any reduction to the monthly or quarterly limitations on redemptions, and suspensions of the program will be promptly disclosed to stockholders in a prospectus supplement (or post-effective amendment if required by the Securities Act) or current or periodic report. Any material modifications will also be disclosed on our website.

You will not relinquish your shares until we redeem them. The shares we redeem under our share redemption program will be cancelled and will have the status of authorized but unissued shares. We will not resell such shares to the public unless such sales are first registered with the SEC under the Securities Act and under appropriate state securities laws or are exempt under such laws. We will terminate our share redemption program in the event that our shares ever become listed on a national securities exchange or in the event a secondary market for our common shares develops.

Any NAV per share approved by our board of directors in the future may be higher or lower than the most recently disclosed NAV per share, which would cause the redemption price under our share redemption program to increase or decrease accordingly. The NAV per share is not a representation, warranty or guarantee that (i) a stockholder would be able to realize such per share amount if such stockholder attempts to sell his or her shares; (ii) a stockholder would ultimately realize distributions per share equal to such per share amount upon our liquidation or sale; (iii) shares of our common stock would trade at such per share amount on a national securities exchange; or (iv) a third party would offer such per share amount in an arm's-length transaction to purchase all or substantially all of our shares of common stock.
