Supplement dated September 7, 2012 to Prospectus dated June 11, 2012

This supplement contains information that amends, supplements or modifies certain information contained in the Prospectus of HMS Income Fund, Inc. dated June 11, 2012 (as so supplemented and amended, the "*Prospectus*"). This supplement is part of, and should be read in conjunction with, the Prospectus. The Prospectus has been filed with the Securities and Exchange Commission, and is available at www.sec.gov or by calling (888) 446-3773. Capitalized terms used in this supplement have the same meanings as in the Prospectus, unless otherwise stated herein.

This supplement amends the Prospectus as follows:

PROSPECTUS SUMMARY

The first paragraph under the section entitled "Estimated Use of Proceeds" found on page 12 of the Prospectus is hereby replaced with the following:

We intend to use a substantial portion of the proceeds from this offering, net of expenses, to make debt and equity investments in accordance with our investment objective and using the strategies described in this prospectus, although we have not established limits on the use of proceeds nor have we established a limit on the amount of offering proceeds we may use to fund distributions. There can be no assurance that we will be able to sell all of the shares we are presently offering. If we sell only a portion of the shares offered hereby, we may be unable to achieve our investment objective.

The second sentence in the last paragraph under the section entitled "Estimated Use of Proceeds" found on page 12 of the Prospectus is hereby replaced with the following:

During this time, we may also use the net proceeds to pay operating expenses and for other working capital purposes, including, but not limited to, financing costs, board costs, legal costs and audit costs.

The following sentence is added to the end of the description of "Other Operating Expenses" within the "Compensation of the Dealer Manager and the Investment Adviser" table found on page 24 of the Prospectus:

In addition, we will not reimburse our Advisers for (i) rent or depreciation, capital equipment or other costs of its own administrative items, or (ii) salaries, fringe benefits, travel expenses and other administrative items incurred or allocated to any controlling person of our Advisers, in connection with the provision of investment advisory services (as opposed to Administrative Services) to us.

QUESTIONS AND ANSWERS ABOUT THIS OFFERING

The third sentence in the response to the question "Q: How will our investments be selected and acquired?" under the section entitled "Questions and Answers about this Offering" found on page 27 of the Prospectus is hereby replaced with the following:

All investment decisions made by our Adviser will require the approval of its investment committee which will be led by Alejandro Palomo, who serves as a director and member of the investment committee for HMS Adviser.

RISK FACTORS

The first sentence of the second risk factor found on page 32 of the Prospectus is hereby replaced with the following:

Any distributions we make to our stockholders will be paid out of assets legally available for distribution.

The first sentence of the third risk factor found on page 32 of the Prospectus is hereby deleted and the second sentence is hereby replaced with the following:

Any distributions we make to our stockholders will be paid out of assets legally available for distribution.

The second risk factor found on page 47 of the Prospectus is hereby replaced with the following:

If our share repurchase program is implemented, we will repurchase your shares on a quarterly basis, subject to certain restrictions and limitations. As a result, you will have limited opportunities to sell your shares and, to the extent you are able to sell your shares under the program, you may not be able to recover the amount of your investment in our shares.

If our share repurchase program is implemented, beginning 12 months after we hold our initial closing, we will commence share repurchases, on approximately 10% of our weighted average number of outstanding shares in any 12-month period, to allow you to sell back your shares to us on a quarterly basis at a price equal to the net asset value per share, as determined within 48 hours prior to the Repurchase Date. The share repurchase program will include numerous restrictions that will limit your ability to sell your shares. Unless our board of directors determines otherwise, we will limit the number of shares to be repurchased during any calendar year to the number of shares we can repurchase with the proceeds we receive from the issuance of shares of our common stock under our distribution reinvestment plan. At the discretion of our board of directors, we may also use cash on hand, cash available from borrowings and cash from the sale of our investments as of the end of the applicable period to repurchase shares. We will limit repurchases in each quarter to 2.5% of the weighted average number of shares of our common stock outstanding in the prior four calendar quarters. To the extent that the number of shares put to us for repurchase exceeds the number of shares that we are able to purchase, we will repurchase shares on a pro rata basis, not on a first-come, first-served basis. Further, we will have no obligation to repurchase shares if the repurchase would violate the restrictions on distributions under federal law or Maryland law, which prohibits distributions that would cause a corporation to fail to meet statutory tests of solvency. These limits may prevent us from accommodating all repurchase requests made in any year. In addition, our board of directors may suspend or terminate the share repurchase program. We will notify you of such developments: (i) in our quarterly reports or (ii) by means of a separate mailing to you. In addition, even if we implement a share repurchase program, we will have discretion

ESTIMATED USE OF PROCEEDS

The first paragraph within the section entitled "Estimated Use of Proceeds" found on page 53 of the Prospectus is hereby replaced with the following:

We intend to use a substantial portion of the proceeds from this offering, net of expenses, to make debt and equity investments primarily in accordance with our investment objective and using the strategies described in this prospectus, although we have not established limits on the use of proceeds nor have we established a limit on the amount of offering proceeds we may use to fund distributions. There can be no assurance that we will be able to sell all of the shares we are presently offering. If we sell only a portion of the shares offered hereby, we may be unable to achieve our investment objective.

The third sentence in the fourth paragraph within the section entitled "Estimated Use of Proceeds" found on page 53 of the Prospectus is hereby replaced with the following:

During this time, we may also use the net proceeds to pay operating expenses and for other working capital purposes, including, but not limited to, financing costs, board costs, legal costs and audit costs.

The second sentence in the fifth paragraph within the section entitled "Estimated Use of Proceeds" found on page 53 of the Prospectus is hereby replaced with the following:

We intend to use a substantial portion of the proceeds from this offering, net of expenses, to make debt and equity investments in accordance with our investment objective.

The following sentence is added to the end of the section entitled "Distributions" found on page 55 of the Prospectus:

CERTAIN STATES HAVE IMPOSED SPECIAL FINANCIAL SUITABILITY STANDARDS FOR SUBSCRIBERS WHO PURCHASE SHARES

Several states have established suitability requirements that are more stringent than the general standards for all investors described below. Shares will be sold to investors in these states only if they meet the special suitability standards set forth below. In each case, these special suitability standards exclude from the calculation of net worth the value of the investor's home, home furnishings and automobiles.

GENERAL STANDARDS FOR ALL INVESTORS

Investors must have either (a) a net worth of at least \$250,000 or (b) an annual gross income of \$70,000 and a minimum net worth of \$70,000.

Alabama — In addition to the suitability standards stated above, investors who reside in the state of Alabama must have a liquid net worth of at least 10 times their investment in us and other similar investment programs.

Arizona — The term of this offering shall be effective for a period of one year with the ability to renew for additional periods of one year.

California, Michigan and New Mexico — In addition to the suitability standards above, an investor will limit his or her investment in our common stock to a maximum of 10% of his or her net worth.
